Building consent amendment ready for issue

We are pleased to advise that your building consent amendment BCO10364430-A is ready to be issued upon full payment of any outstanding fees due. Once payment is received, we can finalise and issue the Amendment.

A revised schedule of inspections and list of documentation required for compliance is enclosed. These documents will replace any previously issued documentation. This information must be included in your Inspection Folder and kept on site.

Please note this amendment does not extend the life of your building consent. The timeframes specified in Section 52(a) and 93(2)(b)(i) of the Building Act 2004 relate to the granted and issued dates of the original building consent.

If you have not commenced work by your due date, your consent will automatically lapse and will be of no effect. Please contact Auckland Council should you require further information.

The approved documents are available on the online portal for download. The applicant will receive a link to access these via email.
