Dear Mr McDonald

Building Consent BC021575 - Alterations to Existing Building to Convert to a Motel Unit

I am writing to confirm that this building consent is currently still open and I will keep it open for a further six months until the end of January 2006.

Please make sure that work commences on this building within this time. It is important that work does progress as this consent is now quite old and the Building Code has moved on considerably from that time. We would be reluctant to approve any further extensions.

In the meantime you can proceed with the work at any time but please ensure that the inspections listed in the consent are called for at the appropriate times.

Yours faithfully

GRAHAM ROBERTS
