BUILDING WORK

The following building work is authorised by this building consent:

Replacement Sawmill Planing Shed and New On-site Waste-water Treatment and Disposal System.

THIS BUILDING CONSENT IS SUBJECT TO THE FOLLOWING CONDITIONS

This building consent is issued under section 51 of the Building Act 2004; it does not relieve the owner of the building (or proposed building) of any duty or responsibility under any other Act relating to or affecting the building (or proposed building). This building consent does not permit the construction, alteration, demolition, or removal of the building (or proposed building) if that construction, alteration, demolition, or removal would be in breach of any other Act.

- ☒ Under s.73 of the Act, the Council will, on issuing this building consent, notify the consent to the Registrar-General of Land that the site is subject to the following natural hazard(s):- <delete the natural hazard not relevant>
- erosion (including coastal erosion, bank erosion, and sheet erosion)
 - falling debris (including soil, rock, snow, and ice)
 - subsidence
 - inundation (including flooding, overland flow, storm surge, tidal effects, and ponding)
 - slippage
- Note: On receiving notice under section 74, the Registrar-General of Land will record an entry on the certificate of title to the land on which the building work is to be carried out that a building consent was granted under section 72, and the particulars of the natural hazard concerned.
- ☒ Under s.90 of the Act, agents (staff and contractors) authorised by the Building Consent Authority are entitled at all times during normal working hours or while building work is being done, to inspect the building work and ensure the provisions endorsed on the building consent are being carried out.

COMPLIANCE SCHEDULE: (✓ tick option required)

- ☒ A compliance schedule is required for this building (refer to form AC1129 attached for a list of specified systems)

ATTACHMENTS: copies of the following documents are attached to this building consent (✓ tick option required)
