Building work

The following building work is authorised by this building consent:

Addition to Factory - New Offices, Meeting and Store Room

This building consent is issued under section 51 of the Building Act 2004. This building consent does not relieve the owner of the building (or proposed building) of any duty or any responsibility under any other Act relating to or affecting the building (or proposed building). This building consent also does not permit the construction, alteration, demolition, or removal of the building (or proposed building) if that construction, alteration, demolition, or removal would be in breach of any other Act.

Conditions of consent

This building consent is subject to the following conditions:

Under section 90 of the Building Act 2004, agents authorised by the Council (acting as a building consent authority) are entitled, at all times during normal working hours or while building work is being done, to inspect:

- land on which building work is being or is proposed to be carried out; and
- building work that has been or is being carried out on or off that building site; and
- any building.

Compliance schedule

A compliance schedule is required for the building. The compliance schedule must contain the following specified systems and comply with the performance standards required for these systems by the building code:

- 15b: Final exit doors
- 15d: Signs communicating evacuation information
- 4a: Emergency lighting system
- 7a: Automatic backflow preventers
