

2 September 2015

Brian Phillip Morrison
6 Brick Bay Drive
RD 2
Warkworth 0982

Dear Sir or Madam

Building consent number: ABA-1014136
Address: 1334 Sandspit Road, Sandspit 0982
Description: Replacement of an existing ablution block with a new modern system for the Sandspit Holiday Park.
Area Office: Orewa

Application for code compliance certificate (CCC)

It is now over 23 months since your building consent was granted and we note that you have not requested or passed a final inspection.

Section 93 of the Building Act 2004 requires Council to decide whether or not to issue a CCC; this decision must be made within two years of the date that the building consent was granted. Your building consent was granted on 2.5.2013.

A CCC is a formal statement, issued under section 95 of the Act, stating that all building work carried out under a building consent application complies with that building consent. The owner must apply for a CCC after all work set out in the granted building consent has been completed.

If you have not yet finished building, it is possible to apply for an extension of time. Alternatively, you may amend your building consent and remove items, which have not yet been constructed. An amendment to the building consent plans clearly describing changes will be required before you can apply for a CCC.

If the building work has been completed and a final inspection carried out, please submit your application for CCC.

The following application forms may be downloaded from council's website at www.aucklandcouncil.govt.nz or can be obtained from any Council Service Centre;

- Application for CCC
- Application to amend a building consent

If you have any further queries regarding this matter, please contact the undersigned on (09) 3010101 or email quoting the above building consent number.

Yours faithfully

Cathy Berglund
Building Support Officer
