Bernie,

Please be advised of the following items that are still outstanding for this BC application;

1. Section 73 Condition completed response form; please refer to the letter from Garry Peters, Consulting Engineer, dated 18 April 2013.
2. Mechanical ventilation design from a suitably qualified person; as mentioned in your reply letter dated 16 April 2013.
3. Please complete, sign, and return that attached form for your agreement to provide PS3/4 during construction.

Please call me directly at 09 427 3982 should you require further clarifications.

Note that the application will remain suspended until the above items have been resolved.

Thank you.

Faithfully yours,
