4. That the quality of the final effluent shall be equal to or better than
 - i) Biochemical Oxygen Demand $\leq 20 \text{ (gO/m}^3\text{)}$
 - ii) Suspended Solids $\leq 30 \text{ (g/m}^3\text{)}$
 - iii) Faecal Coliforms $\leq 200 \text{ MPN/100 ml}$
 - iv) Enterococci $\leq 35 \text{ CFU/100 ml}$
5. That the collection and analysis of samples required in special condition 3 shall be carried out in accordance with APHA Standard Methods (17th Edition) or equivalent as approved in writing by the Group Manager, Environmental Management Department.
6. That copies of the results of analysis required in special condition 3 shall be forwarded to the Group Manager, Environmental Management Department as they are received by the Grantee.
7. That the Grantee shall maintain and operate the treatment and disposal system in an efficient and workmanlike manner to ensure that it functions efficiently and that any remedial works which are necessary to bring the system up to an efficient and workmanlike standard shall be carried out by the Grantee within one month of receipt of written notice from the Manager, Environmental Management Department.

STANDARD CONDITIONS OF PERMIT:

1. That this resource consent is granted by the Auckland Regional Council, subject to its servants or agents being permitted access to the relevant parts of the property at all reasonable times for the purpose of carrying out inspections, surveys, investigations, tests, measurements or taking samples.
2. That the Auckland Regional Council may at any time on the giving of not less than 3 months notice in writing serve notice on the consent holder of its intention to review any of the conditions of this consent for any of the following purposes :
 - i. To deal with any adverse effect on the environment which may arise from the exercise of the consent and which it is appropriate to deal with at a later stage; or
 - ii. To require a discharge permit holder to adopt the best practicable option to remove or reduce any adverse effect on the environment; or
 - iii. To deal with any other adverse effect on the environment on which the exercise of the Consent may have an influence.
3. The resource consent holder shall pay to the Auckland Regional Council any administrative charge fixed in accordance with s.36(1) of the Resource Management Act 1991, or any additional charge required pursuant to s.36(6) of the Resource Management Act 1991, payable in respect of this resource consent.
