Dear Brian

Property at: Sandspit Motor Camp, 1334 Sandspit Road, Warkworth

It is a condition of the Auckland Council & a requirement of the manufacturer that regular maintenance is undertaken by approved installers.

As the installer, we are able to provide the maintenance service at an annual fee of \$280.00 + G.S.T (minimum 3 visits a year).

The maintenance visits will include:

- Check sludge levels in the 1st & 2nd chambers.
- Check evidence of odour / foam.
- Check pump & aerator function.
- Check high level alarm operation.
- Inspect Wasteflow irrigation field.
- Check & clean irrigation filter.

In the event of a call out for an alarm or other unusual situation our charge is \$68.00 per hour plus any travel & equipment or replacement parts costs.

We would be pleased to provide this service for your system & will be grateful if you can confirm your acceptance of this offer by signing and returning this letter.

Please note that should you sell your property at any time, please advise this office immediately (preferably in writing) so that our records can be up dated and your contract with us closed off.

We look forward to continuing to assist you with all your waste disposal needs.

Kind Regards,

Greg Jones
