

Bore or well number	BW23/0752
Well name	Steffens Road
Owner	Gavin & Marie Reed

Well number	BW23/0752	File number	
Owner	Gavin & Marie Reed	Well status	Active (exist, present)
Street/road	Steffens Road	NZTM grid reference	BW23:41554-04557
Locality	Rangiora	NZTM X and Y	1541554 - 5204557
Location description		Location accuracy	50 - 300m
CWMS zone	Waimakariri	Use	Domestic and Stockwater,
Groundwater allocation zone	Eyre River	Water level monitoring	--
Depth	29.63m	Water level count	0
Diameter	150mm	Initial water level	12.89m below MP
Measuring point description	Top of Casing	Highest water level	
Measuring point elevation		Lowest water level	
Elevation accuracy		First reading	
Ground level	0.65m below MP	Last reading	
Strata layers	12	Calc min 80%	
Aquifer name		Aquifer tests	0
Aquifer type		Yield drawdown tests	0
Drill date	24 Nov 2022	Max tested yield	
Driller	Hydrill	Drawdown at max tested yield	
Drilling method	Dual Rotary	Specific capacity	
Casing material	Steel	Last updated	29 Jun 2023
Pump type		Last field check	
Water use data	No		

Screens
