Subject: RE: BCO10364430-A, 362 Matakana Valley Road Matakana - 1st RFI follow up

Hi Colin

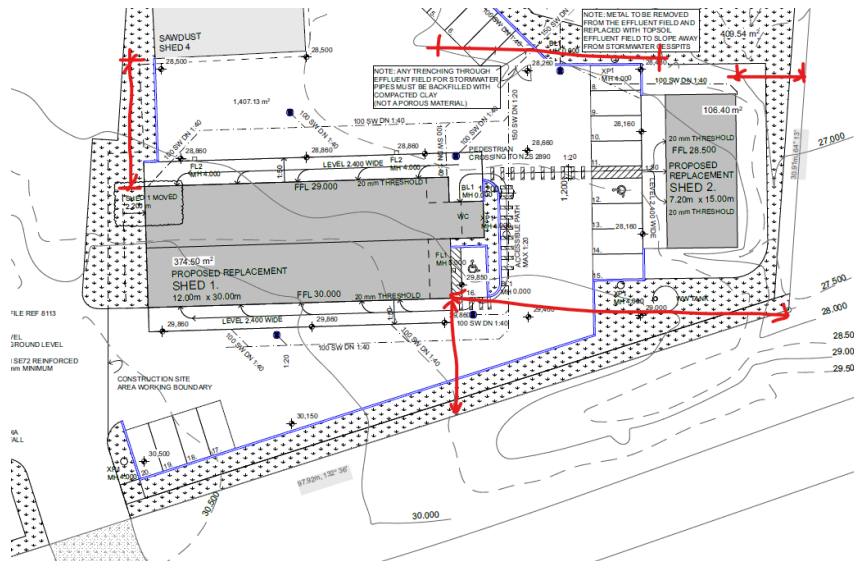

Thank you for your RFI reply. I have completed re-check and removed all initial RFI items. But I have found that the siting dimensions need to be updated.

As per the approved site plan, the siting dimensions indicated on sheet 100 and 101. And the dimension will be changed as per the proposed shifting.

So, the siting dimensions on sheets 100 and 101 need to be updated.

Or alternatively, you can add some siting dimensions on sheet 01.1 as this is the enlarged site plan, so we can have more correct siting dimension for building inspectors.

Kind Regards
