

Here for Every Step of Your Financial Journey

ABOUT US

At Journey Mortgages, based in Christchurch and servicing across the country, we recognise that securing a mortgage is more than just a numbers game—it's about planning for your future. Whether you're stepping into your first home, starting a new build, expanding your investment portfolio, or refinancing for a better financial fit, we're here to guide you through the complexities and make the process straightforward.

Led by Alex, our dedicated multi-award winning Mortgage Adviser, Journey Mortgages offers expert advice with a personal touch. With five years of industry experience, Alex has helped clients across New Zealand make confident, informed mortgage decisions.

Specialising in construction loans, first-home buyers, investors, and refinancing, we provide tailored solutions that align with your financial goals. We're committed to being more than just a one-time service provider; we're your partner throughout your financial journey. From your first home to your next investment, we deliver consistent, reliable advice, ensuring you always feel secure in your decisions.
