Additional information is required by Council to continue with your Certificate application.
Please provide the following:

Engineering aspect:

- Vehicle crossing to lot 2 Remove large Poplar? on southern side and trim back bank (Beside round bolder) on Brindle rd side to improve sight lines from crossing.
- Improve compaction and finish to crossing to lot 1 and 2, feather metal to road edge to reduce lip to road. Note this has been partially created by recent works on Koutu Loop road from Ventia FNDC roading contractor.
