SECTION 2 – INSURED INTERESTS

ALTERNATIVE RESIDENTIAL ACCOMMODATION

Where any residential accommodation insured by this Policy is made uninhabitable by Damage, Section 2 of this Policy is extended to cover the reasonable cost of alternative accommodation necessarily incurred by the Insured who normally occupies the accommodation unit during the Indemnity Period.

Provided that:

- (a) the cost is not otherwise insured;
- (b) the period for which the costs are covered will be limited to the Alternative Residential Accommodation Indemnity Period;
- (c) the Company may deduct a reasonable allowance for costs reduced or avoided as a result of the accommodation being uninhabitable.

The Company's liability under this Insured Interest any one unit owner for each month of the Alternative Residential Accommodation Indemnity Period will not exceed the Alternative Residential Accommodation Sum Insured.

The Alternative Residential Accommodation Indemnity Period is the period reasonably required for reinstatement of the Damaged accommodation during which the accommodation remains uninhabitable in consequence of the Damage, beginning with the occurrence of the Damage and continuing for not more than the period stated in the Schedule.

LOSS OF RENT

Where any Insured earns rent by leasing all or any part of the premises insured under this Policy, the Company will indemnify the Insured for loss of any such rent incurred as a result of Damage to the Premises. The amount payable under this clause will be the difference between:

- (a) the rent due to the Insured during the Loss of Rent Indemnity Period; and
- (b) the rent that would have been due to the Insured during the Loss of Rent Indemnity Period had the Damage not occurred.

The Company will also indemnify the Insured for any additional expenditure reasonably incurred for the sole purpose of avoiding or diminishing the loss of rent during the Loss of Rent Indemnity Period, but not exceeding the loss of rent thereby avoided. If any costs payable out of rent cease or are reduced during the Loss of Rent Indemnity Period in consequence of the Damage, the amount so saved will be deducted from the difference between the rent due and the rent that would have been due had the Damage not occurred.

The Company's liability under this Insured Interest will not exceed the Loss of Rent Sum Insured.

Unless stated otherwise in the Schedule, the maximum payable any one unit owner during the Loss of Rent Indemnity Period is \$500,000.

The Loss of Rent Indemnity Period is the period, during which revenue derived from rents is affected in consequence of the Damage, beginning with the occurrence of the Damage and continuing for not more than the period stated in the Schedule.

CONDITIONS (SECTIONS 1 & 2)

INSURED

The text “and any subsidiary company, more than half the nominal value of whose equity share capital is owned by the named Insured either directly or through other subsidiaries; and any entity over which an Insured exercises management control” is deemed to be deleted from the Schedule and replaced by “The Body Corporate named in the Schedule and the owner of each unit in the Insured Property and any management company acting on behalf of each unit owner.”

All Sums Insureds and Special Limits contained within this Policy exclude GST. All Deductible Amounts within this Policy include GST.

For any indemnity payable under this Policy the Company shall pay the relevant amount of GST in excess of such payment. Such payment of GST is in addition to the indemnity otherwise payable and will not be subject to any sum insured or other limit of the Company's liability. For the purpose of this clause, 'GST' means tax payable under Section 5(13) of the Goods and Services Tax Act 1985, or under any statutory amendment to or re-enactment of the Section or Act.

CONDITIONS (SECTION 1)

MEMORANDA (SECTION 1)

ALTERNATIVE RESIDENTIAL ACCOMMODATION

The Alternative Residential Accommodation Memorandum is deemed to be deleted.

ADDITIONAL COST OF SUSTAINABLE PRODUCTS

Where a claim is payable under this Policy for Reinstatement of a Destroyed building, then, to the extent permitted by law, the Company will pay the additional cost of including Sustainable Products in the Reinstatement of that building. The most that the Company will pay for this under Section 1 of this Policy is 5% of the cost of Reinstatement that would otherwise be incurred; but not more than \$250,000 any one Event. The limit does not apply to any cost that would be covered without the benefit of this clause.

'Reinstatement' and 'Destroyed' have the meanings given to them in the Reinstatement Memorandum.

'Sustainable Products' are products that have reduced environmental impact or will enable more efficient use of energy or water. Products that fall within the scope of this clause include:

- (a) Wall and ceiling insulation (as recommended by Standards New Zealand);
- (b) Double glazed windows;
- (c) Solar water heating systems;
- (d) Heat pumps;
- (e) Rainwater collection tanks;
- (f) Low volatile organic paint;
- (g) Home sprinkler systems (but only where the Destroyed building is a stand alone unit);
- (h) Any building material that would have a lesser impact on the environment.

The Company reserves the right to approve the use of any of these products before they are installed. Such approval will not be unreasonably withheld.

CHATELS

The Company's liability for physical loss of or damage to Chattels under Section 1 of this Policy will not exceed \$2,000,000 any one Event – this limit is within the Buildings sum insured and not in addition to it.

This limit does not apply where a Chattels sum insured is recorded in the Schedule.

COMPUTER BREAKDOWN

In the event of computer Breakdown of any Building or Chattels being Insured Property, Section 1 of this Policy is extended to indemnify the Insured for the reasonable and necessary cost to repair or replace the item.

'Breakdown' means the sudden and unforeseen mechanical, electrical or electronic malfunction or failure which becomes apparent at the time it occurs and requires immediate repair or replacement to enable normal operation to continue.

The Company's liability under this Memorandum under Section 1 of this Policy will not exceed \$5,000 any one Event.

DECLARED VALUES

1. Where the Buildings sum insured is supported by a valuation no more than 36 months old at the date of inception of this Policy the Company's liability for loss of or damage to any item of Buildings will not exceed 125% of the Buildings sum insured.
2. Where the Buildings sum insured is not supported by a valuation no more than 36 months old at the date of inception of this Policy the Company's liability for loss of or damage to any item of Buildings will not exceed the Buildings sum insured.

For the sake of clarity, "supported by a valuation" includes any value that is equal to or greater than the value stated in the most recent valuation, including but not limited to any increases to reflect actual or perceived increased building costs.

EMPLOYEES' EFFECTS

The Employees and Directors Effects Memorandum is deemed to be deleted and replaced by the following.

Personal effects of:

- (a) employees of the Body Corporate listed as the Insured in the Schedule; and
- (b) employees of any management company acting on behalf of each unit owner of the Body Corporate listed as the Insured in the Schedule;

are deemed to be included in the description of Insured Property as if they were owned by the Insured, but only while the effects are in or about premises owned or occupied by the Insured, or elsewhere while being worn, kept, carried or used by employees acting in the course of their employment with the Insured. This Memorandum will not operate to the benefit of any person who is otherwise insured.

GRADUAL INTERNAL WATER DAMAGE

Section 1 of this Policy is extended to cover damage caused by the action of micro-organisms or by gradual deterioration where such damage results from the accidental leaking or overflowing of any permanently connected water pipe, waste disposal pipe, water cylinder or water storage tank within the confines of any insured building.

Where a claim for such damage is payable under this extension, the Policy also extends to cover the reasonable cost of:

- (a) searching for and gaining access to the source of the damage; and
- (b) reinstating the property or part to a condition the same as, but not better nor more extensive than, its condition immediately prior.

Where the date upon which the damage commenced cannot be determined, the damage will be deemed to have occurred at the time the Insured first had reason to suspect that damage had occurred.

The Company's liability under this Memorandum under Section 1 of this Policy will not exceed \$10,000 any one Event and \$20,000 during the Period of Insurance.

HAZARDOUS SUBSTANCE EMERGENCIES LIMIT

The Company's liability under the Hazardous Substance Emergencies Memorandum under Section 1 of this Policy will not exceed \$90,000 during the Period of Insurance.

LOCATING DAMAGED INTERNAL WATER SYSTEMS

Section 1 of this Policy is extended to cover the reasonable cost of:

- (a) searching for and gaining access to any part of a cracked, leaking, broken or overflowing Internal Water System that has caused loss or damage insured under this Policy; and
- (b) reinstating any property or part damaged under (a) above to a condition the same as, but not better nor more extensive than, its condition immediately prior.

Provided that this Memorandum does not insure the cost of repairing or replacing any part of a cracked, leaking, broken or overflowing Internal Water System.

'Internal Water System' means any permanently connected water pipe, waste disposal pipe, water cylinder or water storage tank within the confines of any building insured under this Policy.

This Memorandum does not apply to any loss for which indemnity would be payable under the Policy in the absence of this Memorandum.

The Company's liability under this Memorandum under Section 1 of this Policy will not exceed \$10,000 any one Event and \$20,000 during the Period of Insurance.

MACHINERY BREAKDOWN – REINSTATEMENT BASIS

Subject to the Special Provisions set out below and to all other terms of this Policy in so far as they can apply, Section 1 of this Policy extends to cover Building or Chattels being Insured Property comprising any Machine against damage caused by Breakdown, but only after its successful initial commissioning at the place where the Machine is or will be used.

'Machine' means any contrivance for the conversion and direction of motion or energy, or for the performance of any electronic process, and includes any protective device in connection with that contrivance.

'Breakdown' means the sudden and accidental breaking, seizing, deformation, or burning out of any part of the Machine while in use; the cause being a defect in the Machine; the result being a stoppage in the function of the Machine; and repair or replacement being necessary before the Machine can resume working.

'Pre-Breakdown Value' means the new installed replacement value of the Machine (of its nearest available equivalent having not less than the same capacity or functions of the original Machine) subject to a reasonable deduction for use.

'Reinstatement' means replacement of the damaged Machine by a Machine as nearly as practicable the same as or equivalent to the damaged Machine, having regard to the current state of technology, and having an equivalent capacity to that of the damaged Machine, but not greater capacity unless a Machine with an equivalent capacity is not available and the replacement Machine has the nearest to an equivalent capacity. The words 'Reinstate' and 'Reinstating' have corresponding meanings.

Basis of Settlement

Where the damage can be repaired, the basis of settlement under this Memorandum will be the cost of restoring of the Machine to its former state of serviceability, based on the customary daily labour cost in the district, together with normal freight and erection and customs dues net of Maintenance Agreement benefits used.

Except in respect of excluded parts (as defined in the Excluded Parts Exclusion), no deduction will be made for depreciation of parts replaced, but account will be taken on any salvage value in those parts. Where any excluded part is damaged in circumstances where the exclusion does not apply, due allowance will be made for the working life of that part expended at the time of the damage.

In the event of repair costs equalling or exceeding the Pre-Breakdown Value, the Machine will be deemed to be destroyed.

Where the Machine is destroyed or deemed to be destroyed, the basis on which the amount payable under this Memorandum is to be calculated will be the cost of Reinstating the Machine plus the cost of removing the damaged Machine, less any salvage value of the damaged Machine. However, this basis will not apply if the Insured elects not to reinstate the Machine or if the work of Reinstatement is not commenced and carried out with reasonable despatch.

Where the Reinstatement basis does not apply the basis of indemnity will be the Pre-Breakdown value of the Machine together with the cost of removing the damage Machine, less any salvage value of the Machine.

Exclusions

In respect of Machinery a Service Contract must be in force at all times. Any Machinery maintenance requirements must be attended to by properly qualified servicing Agents.

4. This Memorandum does not cover the cost of alterations, additions, improvements or overhauls carried out on the occasion of a repair.

'Use, Manufacture, Storage or Distribution' means loss or damage caused by the use of any Illegal Substance that results in contamination of Insured Property exceeding:

In respect of Loss of Rent only, the Company's liability under this Memorandum will not exceed \$250,000 any one Event.

DEFERMENT OF THE INDEMNITY PERIOD

1. In respect of Damage to EQC Residential Property the Insured may elect to defer the commencement of the Indemnity Period for a period of up to 24 months, subject to the Company having not paid any claim in consequence of Damage to EQC Residential Property (other than for the reconstitution of records or for Claims Preparation Costs) under any Section 2 insured interest subject to the Indemnity Period.

'EQC Residential Property' has the meaning given to it in the Earthquake – Residential Property clause of this Policy.

Where the Insured elects to defer the commencement of the Indemnity Period and meets the conditions above, when used with any Section 2 insured interest the words "beginning with the occurrence of the Damage" are deemed to be deleted from the Indemnity Period description in the Schedule and replaced by "beginning when elected by the Insured (but not before the occurrence of the Damage)".

All other terms, conditions and exclusions of the policy remain the same.

Combined Material Damage and Business Interruption Loss

The deduction will be made from the combined Material Damage and Business Interruption loss arising from damage to Insured Property at the Site. If damage at more than one Site contributes to the same Business Interruption loss, then, for the purpose of the Deductible, the whole of the Business Interruption loss will be deemed to have arisen from the contributing Site at which the damage has been greatest.

SECTION 1 – MATERIAL DAMAGE

THE INDEMNITY

If any physical loss or damage – unintended and unforeseen by the Insured – happens to any Insured Property during the Period of Insurance, the Company will indemnify the Insured for that loss or damage.

Except where expressly provided to the contrary, the Company's liability will not exceed the Sum Insured and, if more than one Item is included in the Schedule attaching to this Policy, will not exceed in respect of each Item the Sum Insured set against that Item.

EXCLUSIONS

Note: Some of the following exclusions may be fully or partially overridden by memoranda attaching to this Policy

Building Defects And Deterioration

This Policy does not insure against loss or damage to any building or structure directly or indirectly caused by the failure of that building or structure to contain:

- (a) materials; or
- (b) a design; or
- (c) a system; or
- (d) a standard of workmanship;

that is necessary to effectively prevent or manage the presence or penetration of moisture or water to which the building or structure might reasonably be subjected.

This exclusion does not apply to loss or damage that is caused by or directly arises from the leakage of any internal pipes, internal water reticulation systems or internal cisterns.

Consequential Loss

For the avoidance of doubt, the insurance against physical loss or damage to Insured Property does not include insurance against consequential economic loss such as loss of market or loss of profit.

Contract Works

This Policy does not insure property in the course of installation, construction, demolition, erection, or testing following any of them, under any contract for which the expected final contract price will exceed the amount specified in the Schedule.

Defective Workmanship or Design

For the avoidance of doubt, this Policy does not cover the cost of repairing or replacing defective materials, the cost of putting right defective workmanship, or the cost of putting right work performed to a defective design plan or design specification. This exclusion does not apply to any loss or damage occurring as a result of the defective materials or workmanship, or as a result of work performed to a defective design plan or design specification.

Deterioration

This Policy does not insure against loss or damage to the property or part immediately affected directly caused by:

- (a) normal working, normal maintenance, wear and tear, erosion, corrosion (caused by atmospheric conditions only), slowly developing deformation or distortion;
- (b) action of micro-organisms, vermin, insects, mould, mildew, rot, fungi or gradual deterioration;
- (c) the nature of the Insured Property (including shrinkage, evaporation, loss of weight, change in flavour, or colour or texture or finish), action of light;
- (d) pollution or contamination;
- (e) fumes, smoke or smut;
- (f) a change in any artificially controlled temperature or atmosphere;

but this exclusion will not apply to loss or damage directly attributable to fire or any other accidental cause not expressly excluded.

Disappearance

This Policy does not insure against unexplained disappearance, loss directly resulting from shortages revealed only by the taking of an inventory, or shortages due to clerical or accounting errors.

Interruption

In respect of the property or part immediately affected, this Policy does not insure against damage directly caused by total or partial cessation of work, retarding or interruption or cessation of any process.

Land Movement

This Policy does not insure against loss or damage directly or indirectly caused by or resulting from landslip, subsidence or erosion of land.

Machinery

This Policy does not insure against mechanical or electrical Breakdown of any Machine in which the damage originates. However, this exclusion does not apply to:

- (a) subsequent loss or damage arising from an ensuing cause not otherwise excluded;
- (b) damage to any:
 - 1) electric motor or starter that does not individually exceed 10 kW;
 - 2) distribution switchboard or permanently installed electrical reticulation directly caused by failure of electrical insulation or abnormal electric current or electrically induced self heating.

For the purpose of this exclusion:

'Machine' means any contrivance for the conversion and direction of motion or energy, or for the performance of any electronic process, and includes any protective device in connection with that contrivance.

'Breakdown' means the actual breaking, seizing, deformation, or burning out of any part of the Machine while in use; the cause being a defect in the Machine; the result being a stoppage in the function of the Machine; and repair or replacement being necessary before the Machine can resume working.

Money

This Policy does not insure Money, meaning current coin, bank and currency notes, cheques, postal notes, travellers cheques, money orders, unused postage stamps, franking machine credits, tickets, redeemable vouchers and tokens, and other negotiable instruments.

Precious Goods

This Policy does not insure jewellery, precious stones, furs, precious metals or bullion other than as stock of the business or as part of any plant.

Pressure Vessels

In respect of the Pressure Vessel in which the damage originates, this Policy does not insure against:

- (a) explosion, rupture, bursting, collapse, of the Pressure Vessel due to generated or applied fluid pressure (other than pressure caused solely by weight of contents or by chemical explosion); or
- (b) overheating, cracking or leaking of any Pressure Vessel due to or arising from its operation.

This exclusion does not apply to subsequent loss or damage arising from an ensuing cause not otherwise excluded.

For the purpose of this exclusion, 'Pressure Vessel' means a boiler or vessel that, in normal use, is subject to generated or applied fluid pressure (other than pressure caused solely by weight of contents), but does not include any tank used solely for storage.

Production Process

This Policy does not insure property damaged as a result of its undergoing any production process where the damage is directly caused by the normal operation of that process.

Property Excluded Unless Specified

This Policy does not insure any of the following property unless it is specified in the Schedule or declared to the Company in a schedule of assets provided to the Company for the purpose of underwriting information:

standing timber, growing crops, livestock, dams, canals, road or railway tunnels, road or railway bridges, docks, piers, wharves, mining property located beneath the surface of the ground, or any land including topsoil and backfill. However, this exclusion does not apply to tunnels, bridges, earthworks or other site improvements not otherwise excluded, or to docks, piers, or wharves forming part of any building, all at the Insured's building or industrial sites.

Settlement, Shrinkage or Expansion

This Policy does not insure against normal settlement, shrinkage or expansion of buildings, foundations, walls, pavements, roads, and other structural improvements. However, this exclusion will not apply to loss or damage arising from an ensuing cause not otherwise excluded.

Theft by Employees

This Policy does not insure against theft by any of the Insured's employees, but this exclusion does not apply if:

- (a) the theft is discovered within 72 hours (excluding the hours of any Saturday, Sunday, or other public holiday) of its occurrence; or
- (b) the theft is accompanied by violence or threat of violence to persons or violent and forcible entry to or exit from any enclosed building.

Transit

This Policy does not insure any property while in transit other than at premises owned or occupied by the Insured.

Vehicles, Aircraft and Watercraft

This Policy does not insure any motor vehicle, other mechanical or electrically propelled vehicle, watercraft or aircraft of any kind, and any accessories in them or on them. This exclusion does not apply to stock of the Insured's business or to any crane or other mobile plant used at or around the Insured's premises and not otherwise insured.

War, Confiscation and Nuclear Risks

This Policy does not insure against loss or damage directly or indirectly caused by or resulting from any of the following:

- (a) War, invasion, act of foreign enemy, warlike operations (whether war is declared or not), civil war, mutiny, rebellion, revolution, insurrection, military or usurped power.
- (b) Confiscation, requisition or destruction of or damage to property by lawful order of government or local authority unless the order is given for the purpose of controlling fire or other peril for which insurance is provided by this Policy.
- (c) Nuclear weapons material.
- (d) Ionising radiation or contamination by radioactivity from any nuclear fuel or from any nuclear waste from the combustion of nuclear fuel. For the purpose of this exclusion, combustion includes any self sustaining process of nuclear fission.

Weather

This Policy does not insure against damage directly caused by weather conditions to property not normally left in the open unless reasonable precautions have been taken to protect the property from those conditions.

SECTION 2 – BUSINESS INTERRUPTION

THE INDEMNITY

If, during the Period of Insurance:

- ◆ any building or any other property or part used by or for the Insured at the Premises for the purpose of the Business is Damaged; and
- ◆ the Business carried on by the Insured at the Premises is consequently interrupted or interfered with;

the Company will pay to the Insured the amount of loss resulting from the interruption or interference as provided in this Policy for each item of Insured Interest.

The Company will not be liable under this Policy unless the property is Insured Property and its insurers have accepted a valid claim for the Damage. However, this requirement will not apply where the property is a Pressure Vessel, or where the property does not belong to the Insured, or where a deductible prevents acceptance of the otherwise valid claim.

'Damage' means such loss or damage as would be covered under Section 1 of this Policy on property at the Premises. 'Damage' also includes explosion damage to any Pressure Vessel whether insured or not. 'Damaged' has a corresponding meaning.

'Pressure Vessel' means any boiler or economiser or pipe or other vessel that, in normal use, is subject to generated or applied fluid pressure.

'Insured Property' means property insured under Section 1 of this Policy and includes property insured under any equivalent stand-alone Material Damage policy.

Except where expressly provided to the contrary, the Company's liability will not exceed the Sum Insured and, if more than one Item of Insured Interest is included in the Schedule attaching to this Policy, will not exceed in respect of each Item the Sum Insured set against that Item.

SECTION 2 – INSURED INTERESTS

GROSS PROFIT

This insurance covers loss of Gross Profit due to (a) Reduction in Turnover and (b) Increase in Cost of Working and the amount payable as indemnity will be:

(a) In Respect of Reduction in Turnover

the sum produced by applying the Rate of Gross Profit to the amount by which Turnover during the Indemnity Period falls short of Standard Turnover in consequence of Damage;

(b) In Respect of Increase in Cost of Working

any additional cost incurred for the sole purpose of avoiding or diminishing the reduction in Turnover that would have taken place during the Indemnity Period in consequence of Damage if the cost had not been incurred, but not exceeding the sum produced by applying the Rate of Gross Profit to the amount of reduction thereby avoided or diminished;

less any sum saved during the Indemnity Period in respect of such Business costs payable out of Gross Profit as are ceased or reduced in consequence of Damage.

Definitions

'Gross Profit' means the amount by which the sum of the Turnover and the Closing Stock exceeds the sum of the Opening Stock and the Uninsured Working Costs.

'Closing Stock' and 'Opening Stock' mean the amounts of the Insured's opening and closing stocks arrived at in accordance with the Insured's normal accountancy methods, due provision being made for depreciation.

'Uninsured Working Costs' mean all costs subtracted by the Insured in calculating the amount of insured Gross Profit.

'Turnover' means the money paid or payable to the Insured for goods sold and delivered and for services rendered in the course of the Business at the Premises. Turnover also includes any money paid or payable to the Insured by tenants in respect of rental of the Premises and for services rendered; including any money paid or payable by tenants for rates, insurance and other fixed costs which, but for that payment, would be payable by the Insured.

'Rate of Gross Profit' means the rate of Gross Profit earned on the Turnover during the financial year immediately before the date of the Damage, adjusted as may be necessary to provide for trend and any other circumstances affecting the Business before or after the Damage, or that would have affected the Business had the Damage not occurred, so that the result will represent, as nearly as practicable the results of the Business that would, but for the Damage, have been obtained during the relative period after the Damage.

Where the Damage has occurred before completion of the first year's trading of the Business, the words 'during the financial year immediately before the date of the Damage' are deemed to read 'during the period between the date of the commencement of the Business and the date of the Damage'.

'Standard Turnover' means the Turnover during that period in the twelve months immediately before the date of the Damage that corresponds with the Indemnity Period, adjusted as may be necessary to provide for trend and any other circumstances affecting the Business before or after the Damage, or that would have affected the Business had the Damage not occurred, so that the result will represent, as nearly as practicable the results of the Business that would, but for the Damage, have been obtained during the relative period after the Damage.

Where the Damage has occurred before the completion of the first year's trading of the Business, the words 'the Turnover during that period in the twelve months immediately before the date of the Damage that corresponds with the Indemnity Period' are deemed to read 'the proportional equivalent for a period equal to the Indemnity Period of the Turnover during the period between the commencement of the Business and the date of the Damage'.

Where Damage occurs before sufficient results of the Business have been realised for the above definitions to produce an equitable loss adjustment, the loss will be adjusted on the basis of the results of the Business that would have been realised during the Indemnity Period had no Damage occurred.

Provisions (Gross Profit)

Alternative Trading

If, during the Indemnity Period, goods are sold or services are rendered elsewhere than at the Premises for the benefit of the Business, either by the Insured or by others on behalf of the Insured, the money paid or payable in respect of those sales or services will be brought into account in arriving at the Turnover during the Indemnity Period.

Departments

If the Business is conducted in departments or other units, the independent trading results of which are ascertainable, the provisions of Gross Profit clauses (a) and (b) will apply separately to each department or other unit affected by the Damage.

Premium Adjustment

The premium charged for this insurance is adjustable at the end of the Period of Insurance in accordance with the following conditions:

- (a) Within six months after expiry of the Period of Insurance, or as soon as practicable thereafter, the Insured must submit to the Company a certificate setting out the actual Gross Profit earned in the accounting year most nearly concurrent with the Period of Insurance.
- (b) The premium will be adjusted at the agreed rate on the amount so certified.
- (c) If Damage has occurred during the Period of Insurance, any amount paid or payable for consequent loss of Gross Profit during that period will be regarded as actually earned.

Reduced Margin

If Turnover is maintained at a reduced Rate of Gross Profit in consequence of Damage giving rise to a claim under this Policy, an equitable allowance will be made for the loss of Gross Profit resulting from an increase in the ratio of stock usage or purchases (adjusted for stock variation) to Turnover. No allowance will be made for an increase in the ratio of any other uninsured costs to Turnover.

Uninsured Fixed Costs

If any fixed costs of the Business are not insured by this Policy (having been deducted in arriving at the Gross Profit), then, in computing the amount payable as Increase in Cost of Working, that proportion only of any additional cost will be brought into account that the Gross Profit bears to the sum of the Gross Profit and those uninsured fixed costs.

GROSS REVENUE

The following Section 2 Insured Interest applies only if a Gross Revenue sum insured is shown in the Schedule.

This insurance covers loss of Gross Revenue and increase in cost of working and the amount payable as indemnity will be:

- (a) In respect of Gross Revenue
the amount by which the Gross Revenue during the Indemnity Period falls short, in consequence of Damage, of the Gross Revenue that would have been earned during that period had no Damage occurred;
- (b) In respect of increase in cost of working
any additional cost incurred for the sole purpose of avoiding or diminishing the loss of Gross Revenue that would have taken place during the Indemnity Period in consequence of Damage had the cost not been incurred, but not exceeding the amount by which the loss of Gross Revenue is thereby avoided or diminished;

less any sum saved during the Indemnity Period in respect of such costs of the Business payable out of Gross Revenue as may cease or be reduced in consequence of Damage.

'Gross Revenue' means the money paid or payable to the Insured for services rendered in the course of the Business at the Premises, including any money paid or payable by tenants to others for rates, insurance and other fixed costs that would otherwise be payable by the Insured.

Provisions (Gross Revenue)

Alternative Premises

If, during the Indemnity Period, services are rendered elsewhere than at the Premises for the benefit of the Business, either by the Insured or by others on behalf of the Insured, the money paid or payable in respect of those services will be brought into account in arriving at the Gross Revenue during the Indemnity Period.

Premium Adjustment

The premium charged for this insurance is adjustable at the end of the current Period of Insurance in accordance with the following conditions:

- (a) Within six months after expiry of the Period of Insurance, or as soon as practicable thereafter, the Insured must submit to the Company a certificate setting out the actual Gross Revenue earned in the accounting year most nearly concurrent with the Period of Insurance.
- (b) The premium will be adjusted at the agreed rate on the amount so certified.
- (c) If Damage has occurred during the Period of Insurance, any amount paid or payable for consequent loss of Gross Revenue during that period will be regarded as actually earned.

ADDITIONAL COSTS

This insurance covers additional costs reasonably incurred by the Insured in consequence of the Damage for any of the following purposes:

- (a) Avoiding or diminishing a reduction in Turnover or Gross Revenue that would, but for the additional costs being incurred, have taken place during the Indemnity Period.
- (b) Resuming or maintaining any normal operation or service of the Business during the Indemnity Period.

However, this insurance does not apply to costs otherwise recoverable under this Policy, or any costs incurred in the reinstatement of physically Damaged property other than those incurred in the reconstitution of records.

Turnover' has the same meaning as in the Gross Profit Insured Interest. 'Gross Revenue' has the same meaning as in the Gross Revenue Insured Interest.

BOOK DEBTS

This insurance covers the sum that the Insured is unable to recover from customers who purchase goods or services on a credit basis due to the Insured's accounting or other business records being Damaged anywhere in New Zealand. The amount payable as indemnity will be the difference between:

- ♦ the total amount of debit balances in customer's accounts due to the Insured and outstanding as at the date of Damage; and
- ♦ the total of all amounts in respect thereof that can be established during the 12 months after the occurrence of the Damage as owing by customers, subject to an equitable allowance for bad debts or any abnormal condition of trade that had or could have had a material effect on the Business.

CLAIM PREPARATION COSTS

This insurance covers costs reasonably incurred by the Insured for assessing and preparing any valid claim under the Insured's Material Damage and Business Interruption insurance in respect of loss resulting from the Damage.

FINES OR DAMAGES

This insurance covers fines or damages incurred by the Insured for breach of contract. The amount payable as indemnity will include all sums that the Insured becomes legally liable to pay as fines or damages, in sole consequence of the Damage, for non-completion or late completion of orders.

REDEPLOYMENT COSTS

Where, in consequence of Damage, the Insured elects to permanently re-deploy employees at any alternative site, this insurance will cover costs reasonably incurred by the Insured in the necessary relocation of employees for that purpose. The insured costs will include all such costs as the Insured would normally incur or reimburse to employees when transferring them and their families to different places of permanent residence for the purpose of the Business.

SEVERANCE AND REDUNDANCY PAYMENTS

This insurance covers all payments that the Insured elects to make to its employees whose services are terminated as a result of Damage.

CONDITIONS

GENERAL CONDITIONS APPLICABLE TO SECTIONS 1 AND 2

APPLICATION OF MEMORANDA

Where the terms of any Memorandum attaching to this Policy are inconsistent with any other terms of the Policy, the terms of the Memorandum will prevail. Where the terms of any Memorandum are inconsistent with the terms of any other Memorandum, the terms most favourable to the Insured will prevail.

Where the Schedule states that a Memorandum is subject to a special limit or other special provision, the limit or provision will apply to that Memorandum but not to loss that would be covered under the Policy without the Memorandum.

CANCELLATION

(a) **By the Insured**

The Insured may cancel this Policy at any time with immediate effect by giving written notice to the Company. The Company will then retain a pro-rata proportion of the premium (subject to any adjustment required by the terms of this Policy) for the time during which the Policy has been in force, and will refund the unearned balance to the Insured.

(b) **By the Company**

The Company may cancel this Policy at any time by giving written notice to the Insured or to the Insured's broker. The notice must be delivered personally or by a method that requires confirmation of delivery. The cancellation will take effect at 4 p.m. on the 45th day after the notice has been delivered. The Company will then refund a pro-rata proportion of the premium to the Insured, subject to any adjustment required by the terms of this Policy.

DEDUCTIBLE

Each loss or series of losses arising out of one Event will be adjusted separately. The adjusted loss will be net of salvage and other recoveries. From each adjusted loss the amount specified in the Schedule will be deducted.

FRAUD

If the Insured or anyone acting on behalf of the Insured makes any claim that is in any respect fraudulent, or makes any false declaration in support of any claim, or uses any other fraudulent means or devices to obtain benefit under this Policy, all benefit in respect of that claim will be forfeited. For the purpose of this condition, each of the Insured (if more than one) will be treated as having been issued with a separate policy.

GOODS AND SERVICES TAX

Where the Insured is liable to pay GST on receiving any indemnity payment under this Policy, the Company will reimburse the Insured for the cost of that tax. The reimbursement will be made in addition to the indemnity otherwise payable and will not be subject to any sum insured or other limit of the Company's liability. For the purpose of this clause, 'GST' means tax payable under Section 5(13) of the Goods and Services Tax Act 1985, or under any statutory amendment to or re-enactment of the Section or Act.

MISREPRESENTATION

This Policy is voidable in the event of the misrepresentation or non-disclosure of any material fact. However, the insurance will not be prejudiced by:

- (a) any innocent misrepresentation of property or occupancy; or
- (b) any act or omission of the occupier whereby, without the Insured's knowledge or consent, the risk of loss or damage to property not occupied by the Insured is increased.

The Insured's Insurance Manager (or equivalent) must give notice to the Company immediately upon becoming aware of any such event and the Insured must pay an appropriate additional premium if required. For the purpose of this condition, each of the Insured (if more than one) will be treated as having been issued with a separate policy.

MUTUALLY ACCEPTABLE ADJUSTERS

Where the Company wishes to appoint any loss adjuster or assessor in respect of any claim under this Policy, the appointee must be mutually acceptable to the Company and the Insured.

NATURAL DISASTER DEFINITION

Wherever the words 'Natural Disaster' and/or 'Earthquake' appear in the Schedule, Policy Wording, Schedule of Property Values and/or any Endorsement they mean physical loss or physical damage directly or indirectly caused by;

- (a) Earthquake, tsunami, volcanic activity, or hydrothermal activity;
- (b) Landslip and subsidence (except where modified by Memoranda or Endorsement);
- (c) Fire following any perils shown in (a) or (b).

NEW ZEALAND POLICY

This Policy is to be governed by and construed in accordance with the laws of New Zealand, whose courts will have sole jurisdiction over any legal action arising out of or in connection with this Policy.

OBSERVANCE

The Insured's observance and fulfilment of the terms of this Policy in so far as they relate to anything to be done or complied with, and the truth of statements made by the Insured in writing, are conditions precedent to the Company's liability under this Policy. For the purpose of this condition, each of the Insured (if more than one) will be treated as having been issued with a separate policy. Breach of this condition without the Insured's knowledge will not invalidate the Policy, but the Insured's Insurance Manager (or equivalent) must advise the Company immediately upon becoming aware of it. The Insured agrees to pay an appropriate additional premium if required.

OTHER INSURANCE

If, at the time of any claim arising under this Policy, there is any other valid and collectable insurance covering all or part of the same loss, this Policy will apply only to the amount of any loss in excess of that recoverable under the other insurance. This condition does not apply where the other insurance is 'excess' insurance expressly intended to provide a layer of cover in excess of that provided under this insurance.

The amount of loss excluded from this Policy by reason of any other insurance will not be cumulative upon the amount of loss excluded from the Policy by application of any Deductible; other insurance being permitted on loss within the Deductible.

REASONABLE PRECAUTIONS

The Insured must make reasonable endeavours to maintain any fire protection or security equipment or installations in accordance with the manufacturer's recommendations; and must take reasonable precautions against loss or damage as insured under this Policy.

REINSTATEMENT OF AMOUNT

In the event of loss for which a claim is payable under this Policy, and in the absence of written notice by the Company or the Insured to the contrary, any amount of insurance cancelled by the loss will be automatically reinstated. The Insured agrees to pay such pro rata premium at the applicable rate as may be required for the reinstatement.

This condition does not apply to loss from Natural Disaster.

SUBROGATION

Where, upon accepting liability for a claim under this Policy, the Company is entitled to become subrogated to the Insured's right of recovery or indemnity from any other person or corporation, the Insured must, at the Company's expense, do and concur in doing and permit to be done anything reasonably required by the Company for the purpose of enforcing that right.

The Insured must comply with this condition when required, whether before or after having been indemnified by the Company. The Company will not exercise subrogation against any person or corporation insured under this Policy, or against any employee of the Insured unless the employee has caused the loss or damage wilfully.

CONDITIONS APPLICABLE TO SECTION 1 ONLY

CLAIMS

On becoming aware of any event giving or likely to give rise to a claim on this Policy, the Insured must:

- (a) take prompt steps to minimise the loss or damage;
- (b) take reasonable steps to protect the property from further loss or damage;
- (c) immediately notify the Company;
- (d) if a criminal act is suspected, inform the police.

As soon as practicable after any event from which a claim arises, the Insured must submit full particulars of the claim in writing to the Company and, at its own expense, provide the Company with any reasonably required proof and information in respect of that claim.

PROGRESS CLAIM PAYMENTS

Where loss or damage has given rise to a valid claim on this Policy, the Company will make progress claim payments on production of acceptable evidence of insured loss. If the aggregate of progress payments exceeds the total amount of loss as finally adjusted, the Insured will immediately refund the difference to the Company.

SALVAGE

The Company may enter any building where Insured Property has been damaged and may take and keep possession of the damaged property providing the Insured has been fully indemnified for the damage. The Insured will not be entitled to abandon any property to the Company. The Company may deal with the salvage in any reasonable manner, but will not sell or otherwise dispose of salvaged branded goods without the Insured's consent. If the Insured declines to give consent, the Insured will retain possession of the salvaged goods and their reasonable salvage value will be deducted from the amount of claim that would otherwise be payable. Where it is practical to remove brands labels or other marks, that identify the goods as supplied by the Insured, the salvage value of the goods will be determined after such removal at the Company's expense.

CONDITIONS APPLICABLE TO SECTION 2 ONLY

ACCUMULATED STOCKS

Where any shortage in Turnover due to the Damage is postponed by reason of the Turnover being temporarily maintained from accumulated stocks, an equitable allowance will be made for this in the adjustment of the loss.

CLAIMS

Upon becoming aware of any Damage, the Insured must:

- (a) immediately notify the Company;
- (b) use due diligence and do and concur in doing all things reasonably practicable to minimise any interruption to or interference with the Business and to avoid or diminish the loss;
- (c) as soon as is practicable, deliver to the Company a statement in writing of any claim certified by the Accountant, whose reasonable fee will be paid by the Company, with all particulars and details reasonably practicable of the loss;
- (d) produce and furnish all records, information, explanations, evidence and facilities as may reasonably be required for investigation and verification of the claim and, if required, a statutory declaration in verification of the particulars.

The term 'Accountant' under this condition means an accountant or adjuster whose qualifications are acceptable to both the Company and the Insured, and is appointed by both the Company and the Insured.

PROGRESS CLAIM PAYMENTS

Where Damage has given rise to a claim under this Policy, the Company will make progress claim payments on production of a statement of claim certified by the Accountant appointed in accordance with the 'Claims' condition of this Policy.

WINDING UP AND CESSATION OF INTEREST

The insurance provided under this Policy will cease if, for any reason other than Damage:

- (a) the Business is wound up or carried on by a liquidator or receiver or is permanently discontinued; or
- (b) the Insured's interest ceases;

at any time during the Period of Insurance, unless its continuance is agreed by the Company. For the purpose of this condition, each of the Insured (if more than one) will be treated as if issued with a separate policy.

MEMORANDA

GENERAL MEMORANDA APPLICABLE TO SECTIONS 1 AND 2

MORE THAN ONE INSURED

Where this Policy is to the benefit of more than one Insured:

- (a) the Insured first named in the Schedule will be responsible for payment, on behalf of all Insureds, of any premium due or that may become due in terms of this Policy;
- (b) the Company's obligation to make any payment to the Insured in terms of this Policy will be discharged on making that payment to the Insured first named in the Schedule;
- (c) any notice, for which provision is made in this Policy, given by or given to the Insured first named in the Schedule will be deemed sufficient notice by or to all Insureds.

RECOVERY APPORTIONMENT

If the Company, having exercised its right of subrogation, recovers any part or all of a loss in respect of which a claim has been paid or is payable under this Policy, the amount so recovered will be apportioned as follows:

- (a) The Insured will be fully reimbursed for the uninsured portion of the loss, excluding that portion of the loss that is uninsured by reason of a Deductible.
- (b) Any remaining balance will be apportioned between the Insured and the Company in the ratio of their respective losses; the loss to the Insured being that portion of the loss that is uninsured by reason of any Deductible, and the loss to the Company being the amount of its actual payment under the Policy.

The expenses of all recovery proceedings will be apportioned in the ratio of respective recoveries. If no recovery is made, proceedings conducted solely by the Company will be at its own expense.

No recovery to which this Memorandum applies will be taken into account in determining the amount of 'adjusted loss' for the purpose of the Deductible condition of this Policy.

RENEWAL TERMS

If the Company intends to refuse renewal of this Policy, or to offer renewal on any terms less favourable to the Insured than those applying during the current Period of Insurance, the Company must give the Insured 30 days notice of that intention. If the current Period of Insurance expires before the end of 30 days after the notice has been received by the Insured, the Period of Insurance will, if the Insured so requires, be extended to expire at the same time as the period of notice. In the event of such an extension, the Insured will pay a pro rata proportion of the premium for the extended Period of Insurance.

WAIVER OF RECOVERY RIGHTS (GROUP COMPANIES)

Where the Insured is a parent or subsidiary in a group of related companies, this insurance will not be invalidated by reason of the Insured waiving or having waived any right of recovery it may have against any other company in the same group. 'Subsidiary Company' means a company, more than half the nominal value of whose equity share capital is owned by a parent company either directly or through other subsidiaries; and a group of related companies means a group of companies related to one another by virtue of such ownership.

WAIVER OF RECOVERY RIGHTS (BY AGREEMENT)

This insurance will not be invalidated by reason of the Insured having waived any right of recovery or indemnity against any other party to a contract or agreement with the Insured in the ordinary course of business, but only where:

- (a) the contract or agreement is not for the supply of goods or services by the Insured; and
- (b) the waiver was made in writing before the loss occurred.

In addition, this insurance will not be invalidated by reason of the Insured having waived any right of recover required by legislation or by contractual agreement against the Crown; any government corporation; any municipal or local authority; the New Zealand Fire Service commission; any fire protection equipment supplier approved by the Insurance Council of New Zealand Inc; any lift maintenance engineers; any oil company; any party storing goods for, or leasing property to, the Insured; or any other party to an agreement which has been declared to and accepted by the Insurer.

MEMORANDA APPLICABLE TO SECTION 1 ONLY

ALTERNATIVE RESIDENTIAL ACCOMMODATION

Where any residential accommodation insured by this Policy is made uninhabitable by damage for which a claim is payable under the Policy, this insurance extends to cover the reasonable cost of alternative accommodation necessarily incurred by the Insured or by the occupant (being an employee of the Insured) provided that:

- (a) the cost is not otherwise insured;
- (b) the period for which the costs are covered will be limited to the period reasonably required for reinstatement of the affected accommodation;
- (c) the Company may deduct a reasonable allowance for costs reduced or avoided as a result of the accommodation being uninhabitable.

CAPITAL ADDITIONS

Subject to the additional conditions set out below, this Policy extends to cover property (including, but not limited to, alterations, additions and improvements to existing property) situated anywhere in New Zealand and acquired by the Insured during the Period of Insurance.

Additional Conditions

1. This extension of cover does not apply to stock, or property of any kind expressly excluded from this insurance, or any appreciation of value that is not due to a physical alteration, addition or improvement.
2. Cover under this extension takes effect on each acquired property when the risk in the property passes to the Insured.
3. At the end of the Period of Insurance, or at earlier intervals if the Insured prefers, particulars of each property acquired during the Period of Insurance must be given to the Company. On receipt of those particulars:
 - (a) the Company will be entitled to charge an additional premium calculated pro rata from the date on which cover commenced, and
 - (b) if the Period of Insurance has not yet expired, the terms of this extension will be fully reinstated.
4. If any Reinstatement conditions are incorporated in this Policy, and unless the Insured gives notice to the contrary, the insurance on property covered under this extension will be subject to those conditions.

Amount Payable

The cover provided by this Memorandum is not limited by anything contained within any limit of liability or margin clause. The Special Limit stated in the Schedule is in addition to any Section 1 Sum Insured stated in the Schedule unless stated otherwise.

CLAIMS ASSESSMENT

This Policy extends to cover costs, including but not limited to fees, reasonably incurred by or on behalf of the Insured for the purpose of assessing or preparing any valid claim made under this Policy. The costs are included in the sum insured on the lost or damaged property. Such costs include but are not limited to salaries, wages, overheads and other related expenses of the Insured's employees.

CONSTRUCTIVE TOTAL LOSS

Where the Insured is prevented from reinstating any Insured Property by sole reason of any Law, the Insured Property will be deemed for all purposes of this Policy to have been destroyed. For the purpose of this clause, 'Law' means any statutory, regulatory or code requirement imposed by the authority of any Act of Parliament or regulation or by-law promulgated by any lawful authority.

CONTRACTUAL VALUE

Where Insured Property to which the Reinstatement Memorandum would apply is the subject of a lease, rental, hire or similar agreement which requires the Insured to insure and/or be responsible for the property at an agreed value, the basis on which the amount payable under this Policy shall be the agreed value as stipulated in the lease, rental or hire agreement.

The Company's liability under this Memorandum under Section 1 of this Policy will not exceed \$10,000 unless stated otherwise in the Schedule. Any limitation stated here or in the Schedule does not apply to subsequent loss or damage not otherwise excluded or to loss that would be insured in the absence of this Memorandum.

DEMOLITION AND OTHER COSTS

This Policy extends to cover costs necessarily incurred for any of the following purposes in consequence of loss or damage by an insured peril.

- (a) Demolition, dismantling, shoring up or propping of the Insured Property.
- (b) Disposal of debris (including any kind of solid, liquid or gaseous matter, and whether or not the debris is part of the Insured Property), and the clearing, cleaning and repairing of gutters, drains and the like.
- (c) Recovery, defence, safeguard, removal, storage, and return of stock, plant and other chattels whether damaged or undamaged.
- (d) Temporary repairs and other measures necessary to secure the property or to make it safe or suitable for continued use.

This extension of cover does not include any sums that the Insured becomes legally liable to pay by way of compensation or other damages consequent upon pollution or contamination of property by any of the debris.

EARTHQUAKE - RESIDENTIAL PROPERTY

(Natural Disaster Damage - Limitation)

Whereas:

- (a) the Insured has compulsory natural disaster cover under the Act (Natural Disaster Cover); and
- (b) the Natural Disaster Cover applies to EQC Residential Property;

then, in the event of any EQC Residential Property insured by this Policy suffering Natural Disaster Damage during the Period of Insurance and covered by Natural Disaster Cover, the Company's liability under this Policy will be limited to the amount of loss in excess of the Natural Disaster Cover, subject otherwise to the terms of this Policy except that the Deductible Amount will only apply to the extent that it exceeds the amount of Natural Disaster Cover. For the purpose of this clause, the Natural Disaster Cover is deemed to include the amount of 'excess' imposed by the terms of that cover.

Any amount payable under the Act for EQC Residential Property for the same Event and the same Insured Property will be deducted from the sum insured for the damaged property. The Company's liability will be limited to the amount of loss in excess of the Natural Disaster Damage cover.

The Insured's Natural Disaster deductible payable for any claim will be reduced by any amount payable under the Earthquake Commission Act for the same event and the same insured property.

Definitions

The 'Act' means the Earthquake Commission Act 1993 and any statutory amendment to or replacement of that Act.

'EQC Residential Property' means that property that is covered by the relevant sections of the Act.

'Natural Disaster Damage' has the meaning given to it in the Act.

ELECTRIC CURRENT DAMAGE

Section 1 of this Policy is extended to cover damage to Insured Property caused by the actual burning out of any part of the property by artificially generated electric current. The Company will not be liable under this extension for damage to lighting or heating elements; fuses or protective devices; or electrical contacts at which sparking or arcing occurs in ordinary working.

The Company's liability under this Memorandum under Section 1 of this Policy will not exceed \$10,000 unless stated otherwise in the Schedule. Any limitation stated here or in the Schedule does not apply to subsequent loss or damage not otherwise excluded.

EMPLOYEES AND DIRECTORS EFFECTS

Employees' and directors' personal effects (including Money as defined in the Money Memorandum, if included in this insurance) are deemed to be included in the description of Insured Property as if they were owned by the Insured, but only while the effects are in or about premises owned or occupied by the Insured, or elsewhere while being worn, kept, carried or used by employees acting in the course of their employment with the Insured or by directors acting in the course of their duties as directors of the Insured. This Memorandum will not operate to the benefit of any person who is otherwise insured.

EXPEDITING COSTS

Where a claim is payable under this Policy for the cost of repairing or replacing any of the Insured Property, the Company will also indemnify the Insured for such additional costs of express freight, air freight and overtime labour as are reasonably incurred for the purpose of expediting that repair or replacement.

GENERAL AVERAGE

This insurance extends to include General Average and Salvage charges payable according to Foreign Statement or to York Antwerp Rules if in accordance with the contract of affreightment. This extension of cover is not subject to any Deductible.

GRADUAL DAMAGE

Section 1 of this Policy covers physical loss or damage – unintended and unforeseen by the Insured – during the Period of Insurance to Insured Property due to gradual damage, mildew, mould or rot caused by water that leaks, overflows or is discharged from any internal piping or water system (including but not limited to any permanently connected water pipe, waste disposal pipe, water cylinder or water storage tank), installed at the premises.

The Company's liability under this Memorandum under Section 1 of this Policy will not exceed \$10,000 any one Event unless otherwise stated in the Schedule.

This Memorandum does not apply to any loss for which indemnity would be payable under the Policy in the absence of this Memorandum.

HAZARDOUS SUBSTANCE EMERGENCIES

The Company will indemnify the Insured for any charge that the New Zealand Fire Service is authorised to make against the Insured in respect of any Hazardous Substance Emergency arising out of or in connection with any Insured Property during the Period of Insurance. The indemnity will be payable regardless of whether the Insured Property has been damaged. 'Hazardous Substance Emergency' has the same meaning as defined in the Fire Service Act 1975 or any statutory amendment to or replacement of that Act.

LANDSLIP

This Policy extends to cover physical loss or damage – unintended and unforeseen by the Insured – directly or indirectly caused by or resulting from landslip.

LOST OR STOLEN KEYS

If, during the Period of Insurance, any key (or equivalent device) or combination giving access to Insured Property is lost, stolen or believed on reasonable grounds to have been duplicated without proper authority, this Policy extends to cover the costs reasonably and necessarily incurred in altering or replacing locks and their keys or combinations. This Policy also extends to cover the reasonable cost of opening any safe or strongroom following theft or loss of its key or combination.

MONEY

Subject to the definitions and additional exclusions set out below, this Policy extends to cover Money as follows:

Section A

Money in transit anywhere in New Zealand; Money at the Insured's business premises or sites of contract during Business Hours; Money in a securely locked safe or strongroom outside Business Hours.

Section B

Money at the Insured's business premises outside Business Hours and not in a securely locked safe or strongroom; Money at the residential premises of the Insured or any Principal or authorised employee of the Insured.

Definitions

'Money' means current coin, bank and currency notes, cheques, postal notes, travellers cheques, money orders, unused postage stamps, franking machine credits, tickets, redeemable vouchers and tokens, and other negotiable instruments.

'Business Hours' means any hours during which the Insured or any Principal or any employee entrusted with the care custody or control of Money is on the premises for the purpose of the Insured's business.

'Principal' means any of the Insured's directors and executive officers, but only in their capacity as such.

Additional Perils Insured

The Policy is further extended, if necessary, to cover loss of or damage to Money:

- (a) directly caused by or resulting from earthquake.
- (b) directly resulting from theft of any kind not expressly excluded from cover under this Memorandum.

Additional Exclusions

The extension of cover provided by this Memorandum is subject to the following additional exclusions.

1. Loss due to errors in receiving or paying out.
2. Loss or damage occurring while the Money is entrusted to any person other than the Insured, or any Principal, or any employee or agent of the Insured, or any professional Money carrier, or any courier.
3. Loss directly resulting from theft or fraud by any of the Insured's employees. However, this exclusion does not apply to loss discovered within 72 hours (excluding the hours of any Saturday, Sunday or other public holiday) of the act of theft or fraud.
4. Loss covered under any valid and collectable Fidelity Guarantee (or equivalent) insurance.
5. Loss resulting from payment of Money in exchange for any cheque that is subsequently dishonoured.

OTHER INTERESTS

Where the Insured has agreed to insure the interest of any person or corporation having an insurable interest in any of the Insured Property, the Company will indemnify the Insured and that person or corporation subject to the terms of this Policy as if a separate policy had been issued to each. However:

- (a) the Company will not be liable to indemnify any person or corporation whose interest has not been declared to the Company by the time indemnity becomes payable, although such declaration is not required for any contractor or subcontractor required to be a co-insured to the extent required by any contract; and
- (b) the Company's liability will not be increased beyond the amount that would be payable if this Memorandum had not been incorporated in the Policy.

PROFESSIONAL FEES

This Policy extends to include all professional fees, clerk of works' and inspectors' salaries and wages, and other costs reasonably incurred in connection with the reinstatement of Insured Property lost or damaged by an insured peril. The insured fees, salaries, wages and costs are included in the sum insured on the Insured Property. This extension of insurance does not cover fees for preparing claims made under the Policy.

PROTECTION COSTS

The Company will indemnify the Insured for any costs reasonably incurred by the Insured for the purpose of, and for damage directly resulting from, fighting or controlling any insured peril that involves or threatens to involve Insured Property.

RECORDS

The Insured Property is deemed to include documents, manuscripts, computer system media, business books, microfilm, technical drawings and other records for their value as materials plus the cost of collecting and reproducing the information on them. The value of the information is not insured.

REDUNDANT FOUNDATIONS

Where the foundations of any building or plant are made redundant for any reason in consequence of insured damage to the property resting on them and, if the value of the foundations is reduced as a result, the loss of value will be deemed to be loss by physical damage for the purpose of claims under this Policy.

If it is not necessary to demolish the foundations in order to reinstate damaged property, and if the presence of the abandoned foundations increases the market value of the property to which they are fixed, the amount of increase will be treated as salvage in the adjustment of loss for claim settlement purposes.

REDUNDANT PLANT

Where, in sole consequence of loss or damage to any plant insured by this Policy, any undamaged or salvaged:

- (a) plant in the same interdependent system or line; or
 - (b) spare parts held exclusively for the lost or damaged plant or other plant in that system or line;
- are rendered redundant, the redundant plant and parts will be treated for the purpose of this insurance as lost by the same event that caused the physical loss or damage. Claims payable under this Memorandum will be net of any realisable salvage value of the redundant plant and parts.

REDUNDANT STOCK

This Policy extends to cover any reduction in the value of undamaged stock that has deteriorated or become unusable by the Insured for any reason whatsoever in sole consequence of loss or damage by an insured peril to any other Insured Property.

REFRIGERATED GOODS

This Policy extends to cover:

- (a) damage to goods stored in refrigerated cabinets or chambers arising from accidental stoppage or malfunction of refrigerating plant from any cause whatsoever except as provided below.
- (b) costs reasonably incurred to avoid or minimise the damage by transferring the threatened goods to alternative storage or by other means.

Special Provisions

1. The words 'goods stored' are deemed to include goods anywhere on the premises at the time of the loss causing event and that would, but for the event, have been placed in the refrigerated cabinets or chambers.
2. In respect of loss due to the disconnection of the public electricity supply, this extension only covers the loss where the electricity supplier has given less than 24 hours prior notice of the disconnection.

REINSTATEMENT

In so far as it can, this Memorandum applies to all Insured Property other than stock unless otherwise provided.

In the event of any Insured Property to which this Memorandum applies being lost or damaged, the basis on which the amount payable under this Policy is to be calculated will be the cost of Reinstatement of that property. Insurance under this Memorandum is subject to the Special Provisions set out below.

Definitions

In this Memorandum, and unless the context requires otherwise:

- (a) 'Reinstatement' means:
 - 1) where property is lost or Destroyed, its replacement by an Equivalent Building or by Equivalent Plant as the case may require.
 - 2) where property is damaged but not Destroyed, the restoration of the damaged portion of the property to a condition substantially the same as, but not better or more extensive than, its condition when new, and including any alterations that may be necessary to comply with any Law.
- (b) 'Equivalent Building' means:
 - 1) a building or structure that is as nearly as practicable the same as the building or structure lost or Destroyed, using currently equivalent materials and techniques and incorporating such alterations as are necessary to comply with any Law.
 - 2) where, as a result of any special circumstances, no building or structure that falls within the scope of paragraph (b) 1) can be constructed; a building or structure that is designed to perform a purpose or function the same as or equivalent to (but not more extensive than) that performed by the building or structure lost or Destroyed.
 - 3) where, as a result of any special circumstances, no building or structure that falls within the scope of paragraph (b) 1) is suitable to the Insured's reasonable requirement, a building or structure that is designed to perform a purpose or function suitable to that requirement, but not more extensive than that performed by the building or structure lost or Destroyed.
- (c) 'Equivalent Plant' means any plant or equipment as nearly as practicable the same as or equivalent to the plant or equipment lost or Destroyed, having regard to the current state of technology, and having an equivalent capacity to that of the lost or Destroyed plant or equipment, but not greater capacity unless plant or equipment with an equivalent capacity is not available and the replacement plant or equipment has the nearest to an equivalent capacity. For the purpose of this definition only, 'plant and equipment' means Insured Property other than stock or any Equivalent Building.
- (d) 'Destroyed' means so damaged by an insured event that the property, by reason only of that damage, cannot be repaired.
- (e) 'Site' means any parcel of land owned or occupied by the Insured.

- (f) 'Law' means any statutory, regulatory or code requirement imposed by the authority of any Act of Parliament or regulation or by-law promulgated by any lawful authority.
- (g) 'Undamaged' means not damaged physically and directly by an event insured under this Policy.

Special Provisions

1. Compliance With Law

The amount payable under this Memorandum will include the cost incurred in Reinstatement that is necessary to comply with any Law; provided that the amount payable will not include any such cost:

- (a) to the extent to which the work had already been required of the Insured by notice served prior to the happening of the loss or damage; or
- (b) in respect of Undamaged property or Undamaged portions of property other than foundations (unless foundations are expressly excluded from insurance under this Policy).

Special Provision 1(b) will apply whether or not the Undamaged property or portion comprises a separate building or structure or a separate item of plant or equipment.

2. Site of Reinstatement

Where property is Destroyed, the work of Reinstatement must be carried out on the same Site; provided that the work may be carried out upon any other Site:

- (a) where Reinstatement on the same Site is not permissible by reason of any Law, or
- (b) where Reinstatement on the same Site is not suitable to the Insured's reasonable requirement.

3. Limitations on Amount Payable

- (a) Where the work of Reinstatement is carried out in terms of Definition (b) 2) or (b) 3), or on any location other than the original location, the Company's liability in respect of the cost of Reinstatement will not exceed the cost that would have been incurred had Reinstatement been carried out in terms of Definition (b) 1) on the original location.
- (b) Where the Insured Property is damaged but not Destroyed, the Company's liability will not exceed the amount the Company could have been called upon to pay for Reinstatement if the property had been Destroyed.
- (c) The Company's liability under this Memorandum in respect of any item of Insured Property will not exceed the sum insured in respect of that item.

4. Circumstances Where This Memorandum Does Not Apply

No payment, beyond the amount that would have been payable had this Memorandum not been incorporated in the Policy, will be made:

- (a) if the Insured elects not to Reinstall the property;
- (b) if the work of Reinstatement is not commenced and carried out with reasonable despatch;
- (c) until the cost of Reinstatement has been actually incurred;
- (d) where a building or structure is damaged, but not Destroyed, and the repair of the damage is not permissible by reason of any Law, or by reason of the condition of the Undamaged portion of the property.

In this Memorandum, 'temporarily removed' means removed for a particular purpose, with the intention that the property be returned to the place from which it has been removed once the purpose has been served.

The amount recoverable under this extension in respect of the property so removed will not exceed the amount which would have been recoverable had the loss occurred in that part of the premises from which the property is temporarily removed.

This Memorandum does not apply to any loss for which indemnity would be payable under the Policy in the absence of this Memorandum.

The indemnity provided by this Memorandum will not increase the Company's liability beyond the sum insured on the property damaged by the insured peril.

This amount is included within the Section 1 total Sum Insured and is not additional to it. This amount does not apply to any property deemed temporarily removed under the Temporary Removal Memorandum.

This Memorandum does not apply in addition to any Anywhere in New Zealand cover stated in the Schedule of Assets or other declaration of property values. This Memorandum does not remove the Insured's obligation to disclose all locations and values on the Schedule of Assets or other declaration of property values. This Memorandum does not apply to any loss for which indemnity would be payable under the Policy in the absence of this Memorandum.

The Schedule of Assets will include the Insured's declaration of the value of property at each declared location. This Schedule of Assets is deemed part of this contract of insurance in respect of the assets and locations declared.

The basis of valuation will be the same as the basis of valuation for the purpose of loss adjustment under this Policy.

In the event of loss or damage under the Policy, the liability of the Company shall be limited to the least of the following:

- (a) The actual adjusted amount of loss within the coverage of the Policy, less any applicable deductible(s), or
- (b) 110% of the total stated value of each scheduled location or item of property insured as shown in the Schedule of Assets, less any applicable deductible(s) for all perils except for Natural Disaster where it is 100%.

In no event will this Limit of Liability endorsement increase the liability of the Company under this Policy.

1. Damage caused by prior Occurrence

For the avoidance of doubt, this Policy does not cover loss, damage, cost or expense of whatever nature arising directly or indirectly from an occurrence predating the inception of this policy ("Prior Damage"). The burden of proving that any loss, damage, cost or expense arose directly or indirectly from any Occurrence during the Period of Insurance shall be on the Insured.

In the event that Prior Damage to Insured Property has not been repaired or reinstated at the date of an Occurrence during the Period of Insurance:

- (a) Where Insured Property was an actual or constructive total loss prior to the Occurrence during the Period of Insurance, this Policy does not cover loss, damage, cost or expense of whatever nature relating to that Insured Property.
- (b) In any other case, the amount that would have been required to repair any unrepaired Prior Damage, assessed at the date of settlement of the Claim, will be deducted when calculating the loss, damage, cost or expense arising directly or indirectly from the Occurrence.

2. Damage caused by successive Occurrences

Where there is Damage to Insured Property arising directly or indirectly from successive Occurrences during the Period of Insurance, and the damage arising directly or indirectly from an earlier Occurrence has not been repaired or reinstated at the date of a subsequent Occurrence, the amount payable under this Policy in respect of each Occurrence shall be calculated as follows:

- (a) Where Insured Property was an actual or constructive total loss prior to the subsequent Occurrence, this Policy does not cover loss, damage, cost or expense of whatever nature relating to that Insured Property arising directly or indirectly from the subsequent Occurrence.
- (b) In any other case, the amount that would have been required to repair any unrepaired damage arising directly or indirectly from an earlier Occurrence, assessed at the date of settlement of the Claim in respect of the subsequent Occurrence, will be deducted when calculating the loss, damage, cost or expense arising directly or indirectly from the subsequent Occurrence.

For the avoidance of doubt, the Insured shall bear any costs incurred or necessary to comply with any seismic strengthening requirements of the Building Code or similar regulation, which result in an increase in the seismic strength or resistance of the property to a level greater than it was immediately prior to the occurrence of the damage.

For the purpose of this clause Destroyed means so damaged that the property by reason only of that damage cannot be repaired.

The fact that the Insured must incur seismic strengthening costs in order to obtain a building consent or otherwise in connection with the reinstatement of any damaged property shall be disregarded when assessing whether that property shall be deemed a total loss. Any provision in the Policy for Constructive Total Loss shall not apply.

All other provisions in the Policy concerning reinstatement and the basis of settlement continue to apply.

This endorsement also excludes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to 1 and/or 2 above.

If the Underwriters allege that by reason of this exclusion, any loss, damage, cost or expense is not covered by this insurance the burden of proving the contrary shall be upon the Assured. In the event of any portion of this endorsement is found to be invalid or unenforceable, the remainder shall remain in full force and effect.

- (c) Any director, executive officer, employee, shareholder, member or partner of an Insured, but only in connection with their duties in that capacity.
- (d) Any person or corporation to whom or to which an Insured described in (a) or (b) above is obliged under the terms of any written agreement to provide insurance as afforded by this Policy, but only:
 - 1) to the extent required by that agreement; and
 - 2) in connection with work performed by or for the Insured described in (a) or (b) above.
- (e) Any office bearer or member of any social club or sports club (or both), formed with the consent of an Insured, but only in respect of claims arising from duties connected with the activities of any such club; the activities being treated for the purpose of this Insurance as part of the Business.
- (f) Any labour only contractor or sub-contractor contracted to the Insured as defined under part (a) or (b) above when carrying out work in connection with the Business but only if not otherwise insured under any other general liability policy.
- (g) each joint venturer, co-venturer or joint lessee of a named Insured with the Company's written agreement but only in respect of liability incurred as a joint venturer, co-venturer or joint lessee.

ALTERATION OF RISK

Upon the Insured's Insurance Manager (or equivalent) becoming aware of any change materially varying any of the facts or circumstances existing at the commencement of this insurance, written notice of the change must be given to the Company as soon as possible. The Company will then be entitled to charge a reasonable additional premium for any increase in the risk, or the Insured will be entitled to a reasonable return of premium for any reduction in the risk, for the unexpired portion of the Period of Insurance.

APPLICATION OF MEMORANDA

Where the terms of any Memorandum attaching to this Policy are inconsistent with any other terms of the Policy, the terms of the Memorandum will prevail. Where the terms of any Memorandum are inconsistent with the terms of any other Memorandum, the terms most favourable to the Insured will prevail.

Where the Schedule states that a Memorandum is subject to a special limit or other special provision, the limit or provision will apply to that Memorandum but not to loss that would be covered under the Policy without the Memorandum.

CANCELLATION

(a) By the Insured

The Insured may cancel this Policy at any time with immediate effect by giving written notice to the Company. The Company will then retain a pro-rata proportion of the premium (subject to any adjustment required by the terms of this Policy) for the time during which the Policy has been in force, and will refund the unearned balance to the Insured.

(b) By the Company

The Company may cancel this Policy at any time by giving written notice to the Insured or to the Insured's broker. The notice must be delivered personally or by a method that requires confirmation of delivery. The cancellation will take effect at 4 p.m. on the 45th day after the notice has been delivered. The Company will then refund a pro-rata proportion of the premium to the Insured, subject to any adjustment required by the terms of this Policy.

CESSATION OF LIABILITY

In respect of any one Occurrence, the Company may at any time pay to the Insured the Limit of Indemnity specified in the Schedule (less any sum already paid as indemnity for compensation), or any lesser amount for which the claim or claims arising from the Occurrence can be settled. On making that payment, the Company will be under no further liability in respect of the Occurrence except for costs of litigation and other costs incurred prior to the payment being made.

CLAIMS

- (a) Notice in writing must be given as soon as possible to the Company of every Occurrence, claim, writ, summons, proceedings, impending prosecution, inquest and all information in relation to any of them in respect of which there may arise liability under this Policy.
- (b) The Insured must not, without the consent of the Company, admit liability or negotiate or make any admission, offer, promise or payment, in connection with any Occurrence or claim.
- (c) The Company may take over and conduct, in the Insured's name, the defence of any claim or action to which this insurance applies. The Company may investigate, negotiate and settle any such claim or action as it considers expedient; but will not be under any obligation to pay any claim or judgment or to defend any action after the applicable Limit of Indemnity has been exhausted by payment of judgments or settlements. The Insured must cooperate with the Company in any investigation, negotiation, defence or settlement that the Company undertakes, and must provide any assistance that the Company may reasonably require.
- (d) In the event of Damage or Injury in respect of which there may arise liability under this Policy, the Insured must, at the Insured's own expense, promptly take all reasonable steps to prevent other Damage or Injury from arising out of the same or similar circumstances.

CROSS LIABILITY

Claims made between Insureds or against any Insured will be treated as if each Insured had been issued with a separate policy in its own name. Each Insured will be separately subject to the terms of this Policy in so far as they can apply. Where an Occurrence gives rise to claims against more than one Insured, the Limit of Indemnity and any Deductible will not exceed the amounts specified in the Schedule, regardless of the number of Insureds indemnified.

Where the Limit of Indemnity is insufficient to fully indemnify all Insureds, it will apply in priority to the named Insured, then to its subsidiary companies, then to other Insureds in equal amounts.

DEDUCTIBLE

The aggregate of all sums payable to all claimants in respect of any one Occurrence will be treated as one claim for indemnity under the Indemnity for Damages clause of this Policy. From the amount of that claim, the Deductible (if any) specified in the Schedule will be deducted.

If more than one Deductible could apply in respect of the same Occurrence, the Deductibles will not be cumulative. Instead, the claim will be subject to the highest Deductible that could otherwise have applied.

FRAUD

If the Insured or anyone acting on behalf of the Insured makes any claim that is in any respect fraudulent, or makes any false declaration in support of any claim, or uses any other fraudulent means or devices to obtain benefit under this Policy, all benefit in respect of that claim will be forfeited. For the purpose of this condition, each of the Insured (if more than one) will be treated as having been issued with a separate policy.

GOODS AND SERVICES TAX

Where the Insured is liable to pay GST on receiving any indemnity payment under this Policy, the Company will reimburse the Insured for the cost of that tax. The reimbursement will be made in addition to the indemnity otherwise payable and will not be subject to any sum insured or other limit of the Company's liability. For the purpose of this clause, 'GST' means tax payable under Section 5(13) of the Goods and Services Tax Act 1985, or under any statutory amendment to or re-enactment of the Section or Act.

NEW ZEALAND POLICY

This Policy is to be governed by and construed in accordance with the laws of New Zealand, whose courts will have sole jurisdiction over any legal action arising out of or in connection with this Policy.

MORE THAN ONE INSURED

Where this Policy is to the benefit of more than one Insured:

- (a) the Insured first named in the Schedule will be responsible for payment, on behalf of all Insureds, of any premium due or that may become due in terms of this Policy;
- (b) the Company's obligation to make any payment to the Insured in terms of this Policy will be discharged on making that payment to the Insured first named in the Schedule;
- (c) any notice, for which provision is made in this Policy, given by or given to the Insured first named in the Schedule will be deemed sufficient notice by or to all Insureds.

MUTUALLY ACCEPTABLE ADJUSTERS

Where the Company wishes to appoint any loss adjuster or assessor in respect of any claim under this Policy, the appointee must be mutually acceptable to the Company and the Insured.

OBSERVANCE

The Insured's observance and fulfilment of the terms of this Policy in so far as they relate to anything to be done or complied with, and the truth of statements made by the Insured in writing, are conditions precedent to the Company's liability under this Policy. For the purpose of this condition, each of the Insured (if more than one) will be treated as having been issued with a separate policy. Breach of this condition without the Insured's knowledge will not invalidate the Policy, but the Insured's Insurance Manager (or equivalent) must advise the Company immediately upon becoming aware of it. The Insured agrees to pay an appropriate additional premium if required.

OTHER INSURANCE

If, at the time of any claim arising under this Policy, there is any other valid and collectable insurance covering all or part of the same loss, this Policy will apply only to the amount of any loss in excess of that recoverable under the other insurance. This condition does not apply where the other insurance is 'excess' insurance expressly intended to provide a layer of cover in excess of that provided under this insurance.

The amount of loss excluded from this Policy by reason of any other insurance will not be cumulative upon the amount of loss excluded from the Policy by application of any Deductible; other insurance being permitted on loss within the Deductible.

PREMIUM ADJUSTMENT

If the premium for this Policy has been calculated on any estimate furnished by the Insured, the Insured must keep an accurate record of all relevant particulars and must, at any reasonable time, allow the Company to inspect the record. Within a reasonable time after the expiry of the Period of Insurance, the Insured must furnish the Company with such particulars as the Company may require for adjustment of the premium. The premium for the period will then be adjusted, and the difference between the adjusted premium and the premium actually paid will be paid by or allowed to the Insured as the case may require.

SUBROGATION

Where, upon accepting liability for a claim under this Policy, the Company is entitled to become subrogated to the Insured's right of recovery or indemnity from any other person or corporation, the Insured must, at the Company's expense, do and concur in doing and permit to be done anything reasonably required by the Company for the purpose of enforcing that right.

The Insured must comply with this condition when required, whether before or after having been indemnified by the Company. The Company will not exercise subrogation against any person or corporation entitled to indemnity under this Policy.

MEMORANDA

ADVERTISING LIABILITY [Addition AIG V2]

1. The Indemnity for Damages clause is extended to include the following:
 - (e) defamation (except arising out of defamatory statements or disparaging material made or produced prior to the inception date of this Policy), infringement of copyright, infringement of title, infringement of slogan, unfair competition, misappropriation of advertising ideas, misappropriation of style of doing business, or invasion of privacy committed or alleged to have been committed in any advertisement and arising out of any advertising activities conducted by the Insured or on the Insured's behalf, or any of them;

BAILEES LIABILITY

This Policy extends to cover the Insured's liability consequent upon Damage to property in the Insured's physical or legal control, but this extension of cover does not apply to liability consequent upon Damage to:

CHANGE IN BUSINESS

In the event of any addition to or change in the Business to which this insurance applies, the Company will hold the Insured covered under this Policy in respect of that addition or change. The Insured agrees to pay such reasonable additional premium as may be required for any consequent increase in risk. The Insured must notify the Company of any material addition to or material change in the Business within 45 days, but delay in notification due to oversight will not invalidate this insurance.

CONTRACT WORKS [Amended AIG V2]

Occurrences in connection with the performance of any contract of demolition, construction, erection, alteration, decoration, installation, testing, repairs or maintenance, all at or in connection with the Insured's premises or works, are deemed to be Occurrences in connection with the Business, but only where the contract price does not exceed \$1,000,000. The Insured must declare any proposed demolition work that will involve the use of explosives to the Company prior to its commencement. Cover in respect of any such demolition work will not commence unless or until the Company has confirmed it in writing.

This Memorandum does not apply to any loss for which indemnity would be payable under the Policy in the absence of this Memorandum.

EXEMPLARY DAMAGES

Subject to the Special Provisions set out below and to all terms of this Policy in so far as they can apply, the Policy extends to indemnify the Insured in respect of all sums that the Insured becomes legally liable to pay by way of exemplary damages arising out of any claim:

- (a) first made against the Insured during the Period of Insurance, and
- (b) notified to the Company during the Period of Insurance or within 30 days after expiry of the Period of Insurance;

consequent upon any accidental death or bodily injury for which compensation is payable under any Accident Compensation legislation and that happens to any person within New Zealand in connection with the Business.

The Policy also extends to indemnify the Insured in respect of any claim to which this Memorandum applies for:

- (a) all costs incurred by the Company, all costs recovered by any claimant against the Insured, and all interest accruing after entry of judgment until the Company has paid or deposited in court as much of that judgment as does not exceed the applicable limit of the Company's liability; and
- (b) all reasonable costs, other than loss of earnings, incurred by the Insured with the Company's consent.

Special Provisions

1. For the purpose of this Memorandum, 'Occurrence' means an occurrence anywhere in New Zealand resulting or potentially resulting in accidental death or bodily injury to which this Memorandum applies, and includes any one occurrence or a series of occurrences (including continuous or repeated exposure to injurious conditions) consequent upon or attributable to one source or original cause.
2. If, during the Period of Insurance, the Insured:
 - (a) becomes aware of an Occurrence; and
 - (b) gives written notice of that Occurrence to the Company;any claim subsequently arising out of that Occurrence will be deemed to have been first made against the Insured during the Period of Insurance.
3. The Company's aggregate liability under this Memorandum in respect of all damages and costs arising out of all claims made or deemed to have been made against the Insured during the Period of Insurance will not exceed the applicable Limit of Indemnity specified in the Schedule.
4. The amount of claim to which the Deductible condition of this Policy applies will include all damages and costs arising out of any one occurrence of death or bodily injury or illness to any one person.

5. This Extension does not apply to:
- (a) any claim that was made, threatened or in any way intimated against the Insured before the Period of Insurance commenced;
 - (b) any claim arising from an Occurrence that, at inception of the Period of Insurance, the Insured knew or ought to have known may give rise to the claim;

This extension of cover will operate regardless of whether Damage has actually occurred, and will also operate in respect of the use of any Vehicle to the extent that the liability is not otherwise insured.

GOODS ON HOOK [Addition AIG V2]

This Policy extends to cover liability for Damage to property while being lifted or lowered or moved or carried by any crane(s) owned, hired or otherwise the responsibility of the Insured.

The Company's liability under this Memorandum will not exceed \$250,000 any one Period of Insurance unless stated otherwise in the Schedule. Such limitation does not apply to subsequent Damage not otherwise excluded. A Deductible of \$1,000 applies unless stated otherwise in the Schedule.

This Memorandum does not apply to any loss for which indemnity would be payable under the Policy in the absence of this Memorandum.

INNKEEPERS LIABILITY

This Policy also extends to cover liability in respect of Damage or Injury caused by or arising from the possession or use of the defined property.

For the purpose of this Memorandum: the word 'Vehicle' has the meaning given to it in the Definitions of this Policy; and the word 'Watercraft' has the meaning given to it in the Watercraft Exclusion.

The extension of cover provided under this Memorandum includes liability for loss or damage resulting from actual or attempted theft or conversion of the property from the Insured's physical or legal control.

Provisions

1. This extension of cover does not apply to liability for Damage or Injury resulting from towing operations except where a vehicle is being towed for the reason that it is either mechanically disabled or is designed to be towed in the course of its normal use.
2. This extension of cover does not apply to the cost of rectifying any defective workmanship by the Insured. However, liability consequent upon Damage or Injury resulting from defective workmanship is not excluded.
3. If direct loss or damage happens to any Vehicle to which this Memorandum applies while the Vehicle is being driven by the Insured (or by any of the Insured's employees), and if the driver of the vehicle is under the age of 25 years at the time of the loss or damage; the indemnity payable by the Company will be subject to one of the following deductible amounts and no other.
 - (a) \$100 if the driver is a male under 21 years of age.

PRODUCT WITHDRAWAL COSTS [Addition AIG V2]

This Policy extends to cover up to 90% of those costs reasonably incurred in the withdrawal or recall from use in New Zealand of Products which have the same defect as a Product that has already given rise to a claim in respect of which the Insured is entitled to indemnity under this Policy.

The Company's liability under this Memorandum will not exceed \$100,000 any one Period of Insurance unless stated otherwise in the Schedule. A Deductible of \$2,500 inclusive of costs and expenses applies unless stated otherwise in the Schedule.

RECOVERY APPORTIONMENT

If the Company, having exercised its right of subrogation, recovers any part or all of a loss in respect of which a claim has been paid or is payable under this Policy, the amount so recovered will be apportioned as follows:

- (a) The Insured will be fully reimbursed for the uninsured portion of the loss, excluding that portion of the loss that is uninsured by reason of a Deductible.
- (b) Any remaining balance will be apportioned between the Insured and the Company in the ratio of their respective losses; the loss to the Insured being that portion of the loss that is uninsured by reason of any Deductible, and the loss to the Company being the amount of its actual payment under the Policy.

The expenses of all recovery proceedings will be apportioned in the ratio of respective recoveries. If no recovery is made, proceedings conducted solely by the Company will be at its own expense.

No recovery to which this Memorandum applies will be taken into account in determining the amount of 'adjusted loss' for the purpose of the Deductible condition of this Policy.

RENEWAL TERMS

If the Company intends to refuse renewal of this Policy, or to offer renewal on any terms less favourable to the Insured than those applying during the current Period of Insurance, the Company must give the Insured 30 days notice of that intention. If the current Period of Insurance expires before the end of 30 days after the notice has been received by the Insured, the Period of Insurance will, if the Insured so requires, be extended to expire at the same time as the period of notice. In the event of such an extension, the Insured will pay a pro rata proportion of the premium for the extended Period of Insurance.

VEHICLE DAMAGE TO PREMISES

This Policy extends to cover the Insured's liability for Damage to any premises occupied but not owned by the Insured, where the Damage is caused by or arises from the ownership, possession or use by the Insured of any Vehicle. This extension of cover does not apply where the Insured has a valid and collectable claim in respect of the same liability under any contract of Motor Vehicle insurance.

VEHICLES – EXCESS LIABILITY [Amended AIG V2]

This Policy extends to cover the Insured's liability consequent upon Damage or Injury caused by or arising from the ownership, possession or use by the Insured of any Vehicle in New Zealand, but only for any amount in excess of \$1,000,000 or the amount recoverable under the liability section of the Insured's Motor Vehicle insurance, whichever is the greater. This Memorandum does not apply to any liability that is otherwise covered under this Policy or any of its memoranda.

VISITS OVERSEAS [Addition AIG V2]

This Memorandum does not apply to any loss for which indemnity would be payable under the Policy in the absence of this Memorandum.

WAIVER OF RECOVERY RIGHTS (GROUP COMPANIES)

Where the Insured is a parent or subsidiary in a group of related companies, this insurance will not be invalidated by reason of the Insured waiving or having waived any right of recovery it may have against any other company in the same group. 'Subsidiary Company' means a company, more than half the nominal value of whose equity share capital is owned by a parent company either directly or through other subsidiaries; and a group of related companies means a group of companies related to one another by virtue of such ownership.

WAIVER OF RECOVERY RIGHTS (BY AGREEMENT)

This insurance will not be invalidated by reason of the Insured having waived any right of recovery or indemnity against any other party to a contract or agreement with the Insured in the ordinary course of business, but only where:

- (a) the contract or agreement is not for the supply of goods or services by the Insured; and
- (b) the waiver was made before the loss occurred.

WARRANT OF FITNESS [Addition AIG V2]

Subject to the Insured and their employees being licensed and qualified to issue warrant of fitness or other inspection certificates as may be required by law, this Policy extends to cover the Insured for all sums that the Insured shall become legally liable to pay by way of compensation in respect of claims made against the Insured during the Period of Insurance and arising out of a negligent act, error, omission in connection with the Business by any licensed, qualified vehicle certifier employed by the insured.

For the purpose of this Memorandum the Business includes (but is not limited to):

5.2 Notification

The Covers provided under this policy are granted solely with respect to **Proceedings** or an **Investigation** first brought against the **Insured** during the **Policy Period**, or applicable **Discovery Period**, only if such **Proceedings** or **Investigation** have been notified to the **Insurer** as soon as practicable, after the **Insured** first becomes aware of such **Proceeding** or **Investigation**, but in all events no later than during the **Policy Period** or applicable **Discovery Period**.

Any **Insured** may, during the **Policy Period** or applicable **Discovery Period**, notify the **Insurer** of any circumstance reasonably expected to give rise to **Proceedings** or **Investigation**. - (c) to the extent it is not recoverable under the earlier policy.

5.4 Limit of Liability and Retention

The total Limit of Liability payable by the **Insurer** during any **Policy Period** shall not exceed the amount stated in Item 3 of the Schedule. This shall be the total limit of the **Insurer's** liability for all **Loss** under all sections of this policy combined, arising out of any **Proceeding** or **Investigation** notified pursuant to Condition 5.2 above.

The Limit of Liability for the **Discovery Period** shall be part of and not in addition to the total aggregate Limit of Liability for the **Policy Period**.

If an *Event* or *Single Event* occurs over more than one *Policy Period*, the *Event* or *Single Event* shall be treated as if it occurred in the *Policy Period* in which the Insured should have complied with Condition 5.2.

The *Insurer* shall only pay for that amount of any *Loss* which is in excess of the Retention stated in the Schedule. This Retention is to be borne by the *Company* and shall remain uninsured.

A single Retention amount shall apply to *Loss* arising from all *Proceedings* or *Investigations* alleging or arising from a *Single Event*.

In such event the Retention amount stated as being applicable to Item. 4 of the Schedule shall be paid by the *Company* to the *Insurer*. In the event of the *Company* being placed in liquidation (other than voluntary liquidation), no Retention shall apply.

5.7 Disputes involving whether to contest Claims

Should a dispute arise as to the defence of management of any *Proceedings* or *Investigation*, and the parties have not been able to agree a cause of action after discussions in good faith then the *Insurer* agrees to the appointment, at the *Insured's* request, of a Barrister, or Barrister and Solicitor, of the High Court of New Zealand (to be mutually agreed upon by the *Insured* and the *Insurer*) to resolve that dispute. The said Barrister, or Barrister and Solicitor shall take into consideration the economics of the matter, the *Penalties* which are likely to be assessed, the likely *Defence* or *Investigation Costs* and the likely outcome of the *Proceeding* or *Investigation*. The costs of the said Barrister, or Barrister and Solicitor's opinion shall be borne by the *Insurer*, and shall be payable in addition to the Limit of Liability.

5.11 Taxes and Duties

All amounts indicated in this policy and the attached Schedule are exclusive of Goods and Services Tax where payable by law.

5.12 Other Insurance

If any **Loss** can be indemnified under any other valid policy or policies, prior, current or subsequently, then this policy shall cover such **Loss** subject to its limitations, conditions, provisions and other terms, only to the extent that the amount of such **Loss** is in excess of the amount of payment from such other insurance, whether such other insurance is stated to be primary, contributory, excess, contingent or otherwise, unless such other insurance is written only as specific excess insurance over the limits provided in this policy.

5.13 Alteration and Assignability

No change in, modification of or assignment of interest or rights under this policy shall be effective except where made by written endorsement to this policy, and signed by an authorised employee of the **Insurer**.

5.14 Enforceability

Should any clause or part of a clause of this policy be held to be invalid or unenforceable for any reason, but would have been valid if part of the wording had been modified, such clauses shall apply with such modification as may be necessary to make them valid and effective. The **Insurer** shall not oppose any application made pursuant to the Illegal Contracts Act 1970 to enforce any clause or any part of a clause of this policy which may have been held to be illegal or unenforceable.

IN WITNESS OF WHICH this policy has been signed on behalf of the **Insurer**, but it shall not be binding upon the **Insurer** unless countersigned on the Schedule by an authorised representative of the **Insurer**.

CONDITIONS: LIMIT AND RETENTION

Limit of Liability	The total amount payable by the Insurer under this policy shall not, in the aggregate, exceed the Limit of Liability except where the Limit of Liability for Professional Liability has been reinstated pursuant to the Reinstatement Extension. Sub-limits of Liability, Extensions and Defence Costs are part of that amount and are <u>not</u> payable in addition to the Limit of Liability except for payments under the General Liability Defence Payments extension. The total amounts payable by the Insurer under any Extensions subject to a Sub-limit of Liability shall not exceed the applicable amount specified as such for that Extension. The inclusion of more than one Insured under this policy does not increase the total amount payable by the Insurer under this policy.
Retention	The Insurer shall only pay for the amount of any Crisis Loss, Fidelity Loss, Loss or payments under the General Liability Insuring Clause or any applicable Extension which, after any applicable allocation, are in excess of the Retention. Nevertheless, the Retention shall not apply to Loss of an Insured Person that cannot be indemnified by the Association. The Retention applies to Defence Costs and must be borne by the Association and shall remain uninsured. A single Retention shall apply to Loss arising from all Claims alleging the same Crisis Loss, Fidelity Loss, Management Liability, Professional Liability, Personal Injury, or Property Damage. The Insurer will not defend any Claim or Legal Proceeding or investigate any Claim or Legal Proceeding arising from an Occurrence after the exhaustion of the applicable Limits of Liability by the payment of loss.
Non-Compliance	The amount of indemnity under this Policy shall be reduced where the Insured's breach of, or non-compliance with, the terms and conditions of this Policy prejudices the settlement or handling of a Loss or Claim , to such sum which in the opinion of the Insurer would have been payable by them without such prejudice

CONDITIONS: CLAIMS

Advance Payment of Defence Costs	The Insurer may not refuse to advance Defence Costs for Management Liability by reason only that the Insurer considers that conduct referred to in paragraphs (i) to (iii) of the Conduct Exclusion has occurred, until such time as there is an admission, or, a judgment, award or other finding by a court, tribunal or arbitrator which establishes the foregoing. Any payments advanced in respect of Defence Costs for which it is ultimately established the Insurer is not liable must be repaid by the Insured Persons and/or the Association .
Bankruptcy or Insolvency	The bankruptcy of any Insured Person or insolvency of the Association shall not relieve the Insurer of any obligations under this policy.
Circumstances	Any Insured may, during the Policy Period , notify the Insurer at the address provided in the Schedule of any circumstance reasonably expected to give rise to a Claim . The notice must include the reasons for anticipating that Claim , and full particulars as to dates, acts and persons involved. Mere notice of a Crisis Loss as required by the Crisis Loss Insuring Clause will not satisfy the notice requirements of this clause.
Claims Made & Reported	Cover under this policy for all Insuring Clauses and Extensions other than for General Liability is afforded solely with respect to Claims first made against an Insured and Crisis Events during the Policy Period that are reported to the Insurer as soon as practicable during the Policy Period or the Discovery Period, if applicable. All notifications must be addressed as required in the Claims Notice Item in the Schedule and reference the Policy Number. Cover under the General Liability Insuring Clause is afforded solely with respect to an Occurrence happening during the Policy Period within the Territorial Limits which arises from and within the course of the Business and provided that the action for damages is brought against an Insured within the Territorial Limits.

**Duties in Event of
General Liability Claim**

Upon the happening of an **Occurrence** which may give rise to a **Claim** or **Legal Proceeding** under this Policy the **Insured** must:

1. as soon as reasonably practicable-
 - 1.1. notify the **Insurer** of such **Occurrence**;
 - 1.2. provide in writing as required all particulars and information as the **Insurer** may request;
2. immediately-
 - 2.1. on receipt forward to the **Insurer** every letter, **Claim**, writ of **Legal Proceedings** or other document served on the **Insured** or their representative;
 - 2.2. notify the **Insurer** of any impending prosecution, inquest, fatal inquiry or proceedings in any court;
3. as the **Insurer** may require-
 - 3.1. retain anything connected therewith; provide all assistance;
4. promptly take at the **Insured's** own expense, all reasonable steps to prevent other **Personal Injury** or **Property Damage** arising out of the same conditions, but such expense shall not be recoverable under this Policy.

The **Insured** shall not:

- a) make any admission of liability;
- b) take any action which may be construed as an admission of liability;
- c) repudiate or settle any **Claim** or **Legal Proceeding**; or
- d) waive any rights of recovery without **our** prior written consent.

The **Insurer** has the right to:

- a) Defend any **Claim** or **Legal Proceeding** against the **Insured**;
 - i) take over and conduct the defence or settlement of any **Claim** or **Legal Proceeding**;
 - ii) prosecute for its own benefit any **Claim** or **Legal Proceeding** for indemnity or damages or otherwise in the name of the **Insured**;
- b) Have subrogation of all the **Insured's** rights of recovery against any person or organisation, whether before or after, indemnification by the **Insurer**;
- c) Exercise full discretion in the conduct of any **Legal Proceedings** and in the settlement of any **Claim** or **Legal Proceeding**, whether before or after indemnification by the **Insurer**.

Consent: Insured

The **Insurer** may settle any **Claim** with respect to any **Insured**, subject to such **Insured's** or the **Policyholder's** written consent.

Consent: Insurer

No **Insured** shall admit or assume any liability, enter into any settlement agreement, or consent to any judgment without the prior written consent of the **Insurer**. Only judgments resulting from **Claims** defended in accordance with this policy shall be recoverable as a **Fidelity Loss** or **Loss** under this policy.

Continuity

Notwithstanding the Known or Prior Exclusion, cover is provided under this policy for any **Claim**, or circumstance, which could or should have been notified under any earlier policy, provided always: (i) the **Claim**, or circumstance, could and should have been notified after the **Continuity Date**; and (ii) the cover provided under this Condition shall be in accordance with the provisions of the policy under which the **Claim**, or circumstance, could and should have been notified. This Condition applies to all Insuring Clauses other than the General Liability Insuring Clause.

Defence/ Settlement

The **Insured** must, at its own cost, render all reasonable assistance to the **Insurer** and take all reasonable measures to mitigate **Loss**. The **Insured** shall defend and contest any **Claim** made against them. The **Insurer** shall be entitled, but not required, to participate fully in such defence and the negotiation of any settlement that involves or appears reasonably likely to involve the **Insurer**. The **Insurer** may undertake investigations, conduct negotiations and with the written consent of the **Insured** settle any **Claim** or **Legal Proceedings** where

	settlement has been agreed to by the parties being indemnified or has been recommended by a Senior Counsel.
Determination of Whether Insurer's Settlement Recommendations are Reasonable	Should any Insured wish to contest any legal proceedings which the Insurer wants to settle, then the Insurer agrees to the appointment, at the Insureds' request, of a Senior Lawyer (to be mutually agreed upon by the Insured and the Insurer , or in the absence of mutual agreement to be appointed by the President of the Law Society, or equivalent organisation, in the jurisdiction in which the legal proceedings were first served) to determine whether the Insurer's settlement recommendation is reasonable. The Senior Lawyer shall take into consideration the economics of the matter, the damages and costs which are likely to be recovered by the plaintiff, the likely costs of defence and the prospects of the Insured successfully defending the action. The costs of the Senior Lawyer's opinion shall be borne by the Insurer .
Loss Allocation	Where any Loss is incurred in respect of any Claim which arises from both covered matters and matters not covered by this policy, the Insurer's liability under this policy is limited to the proportion of the Loss which represents a fair and equitable allocation between the Insureds and the Insurer , taking into account the relative legal and financial exposures attributable to covered matters and matters not covered under this policy.
Allocation Disputes	If the parties are unable to agree, then the fair and equitable allocation is to be determined by a Senior Lawyer (to be mutually agreed upon by the Policyholder and the Insurer, or in the absence of agreement, to be appointed by the President of the Law Society, or equivalent organisation, in the jurisdiction in which the Loss was incurred). The Senior Lawyer is to determine the fair and equitable allocation as an expert, not as an arbitrator. The Policyholder (or its designee) and the Insurer may make submissions to the Senior Lawyer. The Senior Lawyer is to take account of the parties' submissions, but the Senior Lawyer is not to be fettered by such submissions and is to determine the fair and equitable allocation in accordance with his or her own judgment and opinion. The Senior Lawyer's determination shall be final and binding. The costs of the Senior Lawyer's determination are to be borne by the Insurer. For so long as the proportion of Defence Costs to be advanced under the policy remains not agreed and undetermined, the Insurer shall advance the proportion of the Defence Costs which it considers represents a fair and equitable allocation. The fair and equitable allocation finally agreed or determined shall be applied retrospectively to any Defence Costs incurred prior to agreement or determination.
Preservation of Right to Indemnity	In the event and to the extent that the Association is permitted or required to indemnify any Insured Person in respect of a Claim , but for whatever reason fails or refuses to do so, then the Insurer shall pay on behalf of the Insured Person any Loss arising from such Claim . In such event the Retention applicable to Association Reimbursement Cover shall be paid by the Association to the Insurer . In the event of the Association being placed in liquidation (other than voluntary liquidation) no Retention shall apply.
Recovery	This policy and any rights under it may not be assigned without the prior written consent of the Insurer . Upon payment, the Insurer shall be subrogated to all rights of recovery of the Insured even if the Insured has not been fully compensated for its loss and be entitled to pursue and enforce such rights in the name of the Insured .
Related Claims	If notice of a Claim or circumstance is given as required by this policy, then any subsequent Claim alleging, arising out of, based upon or attributable to the facts alleged in that Claim or described in that circumstance notice shall be deemed first made against an Insured and reported to the Insurer at the time the required notices were first provided. Any Claim arising out of, based upon or attributable to continuous, repeated or related Crisis Loss, Fidelity Loss, Management Liability, Professional Liability, Statutory Liability, Personal Injury, or Property Damage shall be considered a single Claim .

CONDITIONS: GENERAL

Alteration of Risk	The Named Insured shall notify the Insurer in writing within thirty (30) days of any material changes to the Business description as stated in the Policy Schedule. The Insurer reserves the right to accept or deny coverage at the time of such notification and to establish a separate rate and premium for any such change in description of Business as set forth in the Policy Schedule.
Assignment	This policy and any rights hereunder cannot be assigned without the Insurer's prior written consent.

Cancellation	The Policy may be cancelled at any time at the written request of the Named Insured in which case the Insurer shall retain the customary short rate proportion of the premium. The Insurer may cancel the Policy as and in the manner permitted by law who in which case shall be entitled to retain the pro-rata proportion of the premium. However, if any Claims, Legal Proceedings or Losses have been notified to the Insurer during the relevant Policy Period and prior to the date of cancellation, no refund of premium shall be made to the Named Insured .

Currency	All premiums and payments made on Claims or Losses (if any) are payable in New Zealand and in New Zealand dollars.

GST	All amounts indicated in this Policy and the attached Schedule are exclusive of Goods and Services Tax where payable by law.
Headings and Titles	The descriptions in the headings and titles of this policy are solely for reference and convenience and do not lend any meaning to this policy. Words in bold typeface have special meaning and are defined or listed in the Schedule. Words and expressions in the singular shall include the plural and vice versa. Words that are not specifically defined in this policy have the meaning normally attributed to them.
Inspection	The Insurer may audit and examine the Named Insured's books and records as they relate to this policy at any time during the Policy Period or anytime after the expiration or termination of this policy. The Insurer has the right, but is not obligated, to inspect the Insured's premises and operations at any time without prior notice to the Insured subject to which we will use reasonable endeavours to give the Insured reasonable notice of any intended inspection. The Insurer's inspections are not safety inspections. They relate only to the insurability of the Insured's premises and operations and the premiums to be charged. The Insured will allow us, our agents, representatives, Employees or consultants (hereinafter referred as the "Surveyor"): a) access to its premises and other places of Business; and b) to conduct such enquiries as the Surveyor deems necessary, including (without limitation) by way of interviews with employees; and generally

c) provide all reasonable cooperation and assistance as we or the **Surveyor** may require in a conduct of the Survey.

The **Insurer** may give the **Insured** reports on the conditions that we find. We may also recommend changes. We do not, however, undertake to perform the duty of any person or organisation to provide for the health or safety of the **Insured's Employees** or the public. We do not warrant the health and safety conditions of the **Insured** or **Insured's** premises or operations or represent that the **Insured** or **Insured's** premises or operations comply with laws, regulations, codes or standards.

Observance	By accepting this policy the Named Insured agrees that the statements in the proposal, broker submission, and any attachments are accurate and complete and acknowledges that we have issued this policy in reliance upon those representations
Other Insurance/ Indemnification	Cover under this policy is specifically provided only as excess over any self-insurance or other applicable insurance, unless such other insurance is written only as specific excess insurance over the Limit of Liability of this policy. Nothing contained herein shall be construed to increase the Limit of Liability of this policy. If another insurance policy imposes upon an insurer a duty to defend a Claim , this policy shall not cover Defence Costs arising out of that Claim .
Policy Purchase	In granting cover to the Insured , the Insurer has relied upon all the information and documentation submitted to the Insurer in connection with the underwriting of this policy or any prior policy of which this policy is a renewal or a replacement or which it succeeds in time. Those documents and information form the basis of cover and shall be considered incorporated into and a part of this policy.
Reasonable Care	The Insured shall take all reasonable care to prevent injury or loss or damage and to maintain the premises, plant and all other business assets in good repair, and to comply with all statutory obligations and regulations. The Insured shall make good or remedy any defect or danger and take such additional precautions as may be required as soon as possible after discovery, but such expenses shall not be recoverable under this policy.
Severability (Proposal)	The proposal form shall be fully severable, so that the knowledge of one Insured shall not be not imputed to any another Insured .
Severability (Conduct)	the Wrongful Acts of or knowledge possessed by any Insured Person shall not be imputed to any other Insured Person and only knowledge possessed by any past, present or future Chairman of the Board of Directors or Trustees, chief executive officer, chief operating officer, chief financial officer or chief legal officer (or equivalent positions) of an Association shall be imputed to that Association , for each of the preceding exclusions.
Subrogation	If any payment is made under this policy in respect of a Claim , then the Insurer shall be subrogated to all rights of recovery of the Named Insured and shall be entitled to pursue and enforce such rights in the name of the Named Insured who shall provide the Insurer with all reasonable assistance and co-operation including the execution of any necessary instruments and papers. The Named Insured shall do nothing to prejudice these rights. Any amount recovered in excess of the Insurer's total payment shall be restored to the Named Insured less the cost to the Insurer of such recovery. The Insurer however waives all rights of subrogation against any Insured Person unless the Insured Person has been held liable for a breach of the Conduct Exclusion.
Validity	This policy shall not be binding upon the Insurer unless it is countersigned on the Schedule by an authorised representative of the Insurer .

Premium Funding

The cost of purchasing insurance has led many businesses to look for ways to improve cash flow.

Marsh's usual terms are that our invoices are payable in full on receipt. We realise these terms do not suit every client and that maintaining cash flow in your business is of great importance.

Marsh offers an alternative way to spread the cost of insurance – Premium Funding. Marsh can help you borrow the cost of insurance from a third party lender who is repaid over time.

If the terms are acceptable to you, the Marsh Payment Solutions team will prepare a formal finance agreement based on your actual premium.

Benefits of Premium Funding

Premium Funding provides the following benefits:

- Improves cash flow to meet day-to-day expenses
- Avoiding lump sum premium payments
- Releases working capital for alternative investments
- Tax deductibility of credit costs
- Assists financial planning and budgets as repayments are spaced throughout the year
- No deposit required other than the first instalment
- Cash flow advantages in respect of the GST component of the insurance premium*
- A fixed interest loan at competitive rates
- A concise two page agreement to read and sign
- No 'bricks & mortar' security required

How Premium Funding works

A specialist premium financier provides a loan facility to the insured by making payments of the premiums. The insured then repays the loan. The security for the loan is the policy itself and its proceeds – there's no other fixed or floating security.

*Subject to compliance with New Zealand GST legislation.

Important Notices

Duty of Disclosure

You have a common law duty to disclose all material facts before entering into, renewing or altering a contract of insurance. If you fail to do so, or if any material facts are misrepresented, the insurance could be made void.

The Insurance Law Reform Act defines a material fact as one that would influence a prudent insurer in accepting or rating a risk. Your common law duty of disclosure applies only before each contract is entered into, renewed or changed, but some policies have a condition that extends the duty throughout the period of insurance.

Your duty of disclosure does not include facts which are common knowledge. Nor does it include facts already known to your insurer, or which ought to have been known to your insurer in the ordinary course of business. If in doubt, it is safer to disclose information than to conceal it.

Utmost Good Faith

Every insurance contract is subject to the doctrine of utmost good faith, which requires that parties to the contract should act toward each other honestly and fairly, avoiding any attempt to deceive in assuming and performing contractual obligations.

Failure to do so on the part of the insured may permit the insurer to refuse to pay a claim or to cancel the policy or both.

Essential Reading of Policy Wording

We will provide you with a full copy of your policy as soon as it is received from the insurer.

It is essential that you read this document without delay and advise Marsh in writing of any aspects which are not clear or where the cover does not meet with your requirements.

Marsh & McLennan Agency Placement System

Your insurance may be placed with insurer(s) through Marsh & McLennan Agency Limited (MMA), a related party of Marsh Limited, using an internet based placement system that allows for the efficient transfer of underwriting information and issuing of policy documentation. MMA is remunerated by insurers who use the placement platform and this is separate from the remuneration paid to Marsh for placing this insurance. Marsh discloses its wider compensation arrangements in a document entitled "Compensation Guide for New Zealand clients" available at www.marsh.co.nz.

Claims Made Policies

Your insurance programme may include covers which are "claims made" contracts such as Directors & Officers Liability, Statutory Liability, Employer's Liability and Professional Indemnity. It is essential that insurers are made aware of all claims or potential claim circumstances of which you, or your organisation, have become aware of during the current insurance period. A "claims made" contract is a policy which only applies with regard to claims made and notified to insurers during the policy period, subject to the act, error or omission giving rise to the claim occurring after any policy retroactive date.

Any claims or potential claims which arise subsequent to your completion of the proposal form or renewal declaration must be reported to insurers prior to the expiration of the current policy. If you are in any doubt as to whether a matter would be deemed to be a notifiable circumstance, we strongly recommend that you report the matter. Insurers do not usually penalise an Insured for reporting matters "out of an abundance of caution".

Changes and Disclosure

It is important that you advise us immediately of any changes or developments to your business that would be material to your insurance programme. Examples include:

- Acquisition of or merger with another company, newly created or acquired subsidiaries.
- Any new claim, or potential claims incident, that has not been reported to your insurers.
- Business undertaken that is outside the scope of the description in your policies.
- The purchase, construction or occupancy of new premises.
- Alteration, vacancy, unoccupancy, extension or demolition of premises.
- Increase in values beyond the insured limits on property.
- Significant removal of stock or equipment to different locations.
- Assumption of liability or waiver of recovery rights under the terms of any agreement or contract.
- Hiring, leasing or borrowing of vehicles, plant or equipment.
- Charter of aircraft or watercraft.
- Substantial change in processing methods, occupancy of premises, or products.
- Development of new export markets, particularly in North America.
- Alteration to or disconnection of your fire or burglary protection systems.
- Proposed installation or modification of pressure plant, refrigeration plant or key machines.
- Issue of a prospectus, information memorandum or other documents in connection with the sale of the company's own securities.
- New outside directorships undertaken during the policy period.
- Changes to the Indemnity or Insurance clauses in the Company's Constitution.

This list is not exhaustive. Generally, you should let us know about any matter that might have an effect on the adequacy or validity of your insurance.

Many policies contain an express condition requiring notification of any changes that materially increase the risk as originally proposed to the insurer. Breach of such a condition could invalidate cover.

Hold Harmless Agreement

If you sign a contract that has a clause preventing or limiting your right to sue another party for recovery of a loss, your insurers will be unable to exercise subrogation. The clause might therefore be deemed a material fact which, if not disclosed to your insurers, could result in your insurance being rendered void.

Some policies contain a clause that permits certain kinds of waiver without having to disclose them. Before signing a contract that contains any kind of waiver, please check with your Client Executive. This applies in particular to the kind of waiver that relieves other parties of liability for their own negligence.

Subrogation

Some policies contain provisions that either exclude or reduce the insurer's liability for a claim if you waive or limit your rights to recover damages from another party in relation to any loss.

You may prejudice your rights with regard to a claim if, without the prior agreement from your insurers, you make any agreement with a third party that will prevent the insurer from recovering the loss from that, or another party.

If you have such agreements, we may be able to negotiate with the insurer to permit them and therefore we request you advise Marsh of their existence.

Examples of such agreements are the "hold harmless" clauses which are often found in leases, in maintenance or supply contracts from burglar alarm or fire protection installers and in repair contracts. If you are in doubt, please consult Marsh.

Trade Sanctions

Marsh is unable to provide insurance or reinsurance broking, risk consulting, claims or other services or provide any benefit to the extent that the provision of such services or benefit would violate applicable law or expose Marsh or its affiliates to any sanction, prohibition or restriction under UN Security Council Resolutions or under other trade or economic sanctions, laws or regulations.

Average / Co Insurance (other than Business Interruption Insurance)

It is common practice in many countries for insurance contracts to be subject to "Average", although this is unusual in the New Zealand insurance market. If your policy has an Average clause contained in it, this means that if the "full value" of the property insured exceeds the sum insured, you would be required to contribute proportionally to each loss. The calculations of "full value" vary from one policy to another, depending on the basis of valuation contained in the policy. Policies that may contain an average clause include Fire, Material Damage, Business Interruption, Home Buildings and Contents. A simple example is:

Full Value at policy commencement date	\$1,000,000
Sum Insured at policy commencement date	\$700,000
\$700K/\$1M - insurer pays 70% of any insured loss & insured retains balance of 30%	
Amount of Claim, say	\$100,000
Amount payable by Insurers as a result of the application of Average/Co-Insurance (being 70% of \$100,000)	\$70,000
