Good afternoon Christine and Sonja,

Thank you so much for the credit. That is definitely a great help with all the business that was lost due to COVID, I was worrying on how we were going to cover the costs of the leak. This helps immensely, and we are definitely grateful for that!

Noted as well that the property only has 2 remaining possible remissions, so we will keep a close eye on the future consumption to hopefully catch out any new leaks.

I trust that you both will have an awesome weekend!

Best regards,
Greg
